Title 14 —Aeronautics and Space
Chapter I —Federal Aviation Administration, Department of Transportation
Subchapter H —Schools and Other Certificated Agencies
Part 145 —Repair Stations
Subpart E —Operating Rules

- § 145.207 Repair station manual.
  - (a) A certificated repair station must prepare and follow a repair station manual acceptable to the FAA.
  - (b) A certificated repair station must maintain a current repair station manual.
  - (c) A certificated repair station's current repair station manual must be accessible for use by repair station personnel required by subpart D of this part.
  - (d) A certificated repair station must provide to its responsible Flight Standards office the current repair station manual in a format acceptable to the FAA.
  - (e) A certificated repair station must notify its responsible Flight Standards office of each revision of its repair station manual in accordance with the procedures required by § 145.209(j).
