Lender understands that the Borrower’s Security Instrument, the Note, this Certificate, and any documents submitted with this Certificate are considered to be consistent with and shall be interpreted consistently with HUD’s regulations as they pertain to the Contract of Insurance. Lender agrees to be bound by Program Obligations. The definition of any capitalized term or word used herein can be found in this Certificate, and if not found in this Certificate, then found in the Note, the Borrower’s Regulatory Agreement between Borrower and HUD, and/or the Borrower’s Security Instrument, except that the term “**Program Obligations**” means (1) all applicable statutes and any regulations issued by HUD pursuant thereto that apply to the Project, including all applicable civil rights accessibility requirements (e.g., Fair Housing Act, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act) and amendments to such statutes and regulations, as they become effective, except that changes subject to notice and comment rulemaking shall become effective only upon completion of the rulemaking process, and (2) all current requirements in HUD

Handbooks, guides, notices, and mortgagee letters are available on HUD's official website: [http://portal.hud.gov/hudportal/HUD?src=/program\\_offices/administration/hudclips/](http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/hudclips/) or a successor location to that site.

## V. CERTIFICATIONS, AGREEMENTS AND ACKNOWLEDGEMENTS.

17. Lender certifies that if Borrower defaults in its obligations to (i) complete construction of the Improvements, or (ii) to complete substantial rehabilitation to the Improvements on the Mortgaged Property, Lender has the right, transferable to HUD, to (i) complete the Improvements as provided in the Building Loan Agreement, or (ii) complete any substantial rehabilitation to the Improvements. In the event completion of the Improvements or completion of substantial rehabilitation to the Improvements is undertaken by either Lender or HUD, the undisbursed balance of the Loan may be advanced for such purpose and to discharge any valid liens or claims against the Mortgaged Property. Such advances shall be considered as made for the account of Borrower and shall be covered by the terms of the Borrower's Security Instrument and the Contract of Insurance.

18. So long as Contractor (as defined below) or Borrower, or, upon default, the surety of Contractor or any other person authorized to act on behalf of or in substitution for any of them shall be willing and able to complete construction or substantial rehabilitation of the Improvements, Lender, upon HUD's request, shall advance up to the undisbursed balance of the Loan and shall authorize release of any grant or loan proceeds or other funds available under Section 9 above for that purpose. The term "**Contractor**" as used in this Certificate, means any person, corporation or other entity contracting directly with Borrower for the construction of all or any portion of the Improvements.

19. Lender certifies and agrees that no Financing Charges other than charges disclosed herein have been or shall be made. Until final endorsement for insurance by HUD, all funds collected pursuant to subsections (c), (d), or (e) below and not paid over to the permanent lender, plus any funds returned by the permanent lender, shall be held for the account of Borrower and shall be subject to HUD's control and direction in the event of a claim under the Contract of Insurance. Lender further certifies and agrees that: *(Check and complete the following applicable subsections.)*

(a) Lender has not imposed and shall not impose a financing charge of any kind directly or indirectly, other than the initial service charge.

(b) In addition to the initial service charge, Lender has collected an amount of \$\_\_\_\_\_ in the form of [cash/letter of credit] as a discount or financing charge for the construction loan. Also, an amount of \$\_\_\_\_\_ has been collected in the form of [cash/letter of credit] to cover extension fees of the construction loan. In an attached addendum, Lender has identified the time frames in which such extension fees must be paid.

- (c) Lender intends to retain the permanent loan and has collected a permanent placement fee of \$\_\_\_\_\_. In addition to the initial service charge and permanent placement fee, Lender has collected in the form of [cash/letter of credit] the amount of \$\_\_\_\_\_ as a discount or financing charge for the permanent loan.
- (d) Lender has a firm commitment from \_\_\_\_\_ to purchase the Loan when fully disbursed and fully insured at a financing charge or discount of \_\_\_\_\_ percent (\_\_\_\_%), and Lender has collected in the form of [cash/letter of credit] the amount of \$\_\_\_\_\_ to cover said charge or discount.
- (e) The Project shall be financed with [tax-exempt/taxable] bonds. Therefore, Lender has collected in the form of [cash/letter of credit] the amount of \$\_\_\_\_\_ and has distributed or shall distribute from proceeds of the Loan the amount of \$\_\_\_\_\_ to cover the costs of issuance. A statement is attached as Exhibit B, itemizing these costs with an explanation of the necessity of each cost and the source of the funds.
- (f) The Loan is a unitary loan which Lender intends to retain for both the construction and permanent loan terms. Lender has collected a unitary loan placement fee of \$\_\_\_\_\_. In addition to the initial service charge and the unitary loan placement fee, Lender has collected in the form of [cash/letter of credit] the amount of \$\_\_\_\_\_ as a discount or financing charge for the unitary loan.
- (g) Additional Financing Charges or discounts of \$\_\_\_\_\_ are to be collected under Exhibit B attached hereto for the purpose(s) shown in subsections (b), (c), (d), (e), or (f). (*Strike inapplicable letters.*) The arrangement for the collection of additional Financing Charges or discounts must comply with Program Obligations and utilize forms prescribed by HUD.
- (h) The Loan to be made to Borrower shall be financed through funds being provided by a third-party investor through the issuance to such investor of construction and permanent participation certificates pursuant to a participation agreement between Lender and the investor, whereby Lender has agreed to repay the investor at a stated interest rate according to a fixed payment schedule.
- (i) The Loan to be made to Borrower shall be financed through funds being provided by a third-party investor through the issuance to such investor of construction and permanent, fully modified, pass-through, mortgage-backed securities, guaranteed as to principal and interest by Ginnie Mae.
- (j) The Note rate includes a servicing fee payable to Lender monthly during the life of the Loan (“**Servicing Fees**”). In addition, the Lender may impose reasonable and customary administrative fees and charges (including but not limited to, reimbursements for out-of-pocket expenses) for handling and investing the cash held in the Reserve for Replacement, the Residual Receipts account, if applicable, and any other interest-bearing escrows related to the Project and for processing, reviewing and approving other matters (“**Administrative Fees**”), as more fully set forth in Program Obligations. Borrower is entitled to earn interest on the Reserve for Replacement and Residual Receipts accounts, as more fully set forth in Program Obligations.

Lender shall not invest escrow account monies in interest-bearing accounts unless interest earned is added to and included in the relevant escrow account, and unless the net income is paid or credited to the account of Borrower. Net income is defined as the earnings remaining after the following expenses are deducted: (i) any Servicing Fees, and (ii) any Administrative Fees.

**20.** Lender certifies and agrees that, except for (a) advances of the Loan made in accordance with Program Obligations, (b) notes executed pursuant to Section 18(g) above, (c) if applicable, the First Loan, or (d) advances from Lender made pursuant to the Borrower's Security Instrument, Lender does not have outstanding and shall not make loans or advances to Borrower, any of the sponsors, the general contractor, or the architect for any purpose connected directly or indirectly with the Project without the prior written approval of HUD, and Lender has not made or offered, and shall not make or offer, any guarantees, pledges, reservations of sums to become due or other inducements to any entity or person to make loans or advances that Lender would be prohibited from making under the terms of this Section.

**21.** Lender certifies that Lender has not made and shall not make payment of any kickback or fee or other consideration, directly or indirectly, to any person who has received payment or other consideration from any other person in connection with the Loan transaction, including the purchase or sale of the Mortgaged Property, except for compensation paid or to be paid, if any, for the actual performance of services and as approved by HUD.

**22.** Lender certifies that in any case where a letter of credit has been accepted instead of cash, (a) such unconditional and irrevocable letter of credit is in accordance with Program Obligations and has been issued by (1) another banking institution, or (2) Lender, subject to receiving HUD's written permission prior to initial endorsement of the Note; and (b) Lender has not made and shall not make any inducements as described in Section 21 above to procure issuance of letters of credit. Lender also agrees that if demand under the letter of credit is not immediately met, Lender shall forthwith provide cash equivalent to the undrawn balance thereunder without recourse to Borrower and without regard to Lender's ability to recover such amount from any other entity or person who securitized the letter of credit.

**23.** Lender certifies and agrees that:

(a) If the Loan is funded with the proceeds of state or local bonds, Ginnie Mae mortgage-backed securities, other bond obligations as defined by HUD, any of which contain a prepayment lock-out and/or prepayment premium provision, Lender agrees, in the event of a default during the term of the prepayment lock-out and/or prepayment premium (i.e., prior to the date on which prepayments may be made with a prepayment premium of one percent or less), to follow those procedures set forth in Program Obligations.

(b) After commencement of amortization, Lender agrees to notify HUD of the delinquency when a payment is not received by the fifteenth (15th) day of the month in which it is due.

**24.** Lender certifies to HUD that the following are the only identities of interest, as defined in Program Obligations, between Lender and Borrower, any Principal of Borrower, Operator, Contractor, any subcontractor, or the seller of the land: \_\_\_\_\_.

Lender agrees that it shall disclose to HUD any future identities of interest, as defined in Program Obligations, during the construction period or prior to final endorsement of the Note.

**25.** Lender certifies to HUD that no identity of interest, as defined in Program Obligations, exists between Lender and the counsel to Borrower and that no portion of the amounts included in the Loan for Borrower's attorneys has been paid to Lender or its employees.

**26.** Lender certifies to HUD that all funds, escrows, and deposits specified in this Certificate and any and all other funds held by or at the order of Lender in connection with the Loan transaction covered by this Certificate shall be funds held pursuant to Program Obligations and any applicable escrow agreements.

**27.** For any case involving materials stored off-site, Lender agrees to:

(a) File financing statements (UCC-1), in the proper jurisdiction with the proper office;

(b) Make whatever additional filings are necessary to maintain a second lien on the materials until they are incorporated into the Improvements;

(c) Release the financing statement filings as appropriate;

(d) Unconditionally certify by letter to HUD with each disbursement request that the Borrower's Security Instrument constitutes a second lien on such building materials covered by the Borrower's Security Instrument. Such certification shall be supported by an opinion from Lender's legal counsel;

(e) In the event of default under the Borrower's Security Instrument, either assign Lender's security interest to HUD or acquire title through foreclosure to the materials intended for use or incorporation into the building(s) and convey title to HUD; and

(f) Require that a Performance Bond – Dual Oblige (HUD-92452-ORCF) and a Payment Bond (HUD-92452A-ORCF), each in an amount equal to one hundred percent (100%) of the amount of the construction contract, be used to satisfy the assurance of completion requirements.

(g) Notwithstanding the foregoing, materials cannot be stored off-site without the prior written approval of the Lender and HUD

**28.** Lender certifies that all of the HUD form Loan Documents (with the exception of the Opinion of Borrower's Counsel (Form HUD-91725-ORCF) and the accompanying Certification by Borrower (Form HUD-91725-CERT-ORCF)) conform to those documents Lender obtained from HUD and such documents have not been changed or modified in any manner except as suitably identified and approved by HUD as evidenced by the Closing Documents Memorandum attached as Exhibit \_\_. It is understood that changes and modifications do not include filling in blanks, attaching exhibits or riders, deleting inapplicable provisions, deleting bracketed provisions as contemplated by the terms of the documents, or making changes to reflect the fact that the Loan is a supplemental loan made under Section

241(a) of the National Housing Act, as amended, or making changes authorized by Program Obligations. Lender further certifies that all of the Loan Documents submitted to and accepted by HUD at the closing of the Loan are listed in the closing checklist delivered to HUD concurrently, herewith.

**29.** Lender acknowledges, based upon its reasonable due diligence, that (a) as of the date hereof, Borrower has obtained, or caused to be obtained, the necessary governmental certificates, permits, licenses, qualifications and approvals of Governmental Authorities, that would customarily be obtained at a later date, to own and operate the Mortgaged Property and to carry out all of the transactions required by the Loan Documents and to comply with applicable federal statutes and regulations of HUD in effect on the date of the Firm Commitment, except for those, if any, which customarily would be obtained at a later date, at an appropriate stage of construction or completion thereof, and (b) appropriate actions have been taken by and necessary filings have been made with those Governmental Authorities, and a list of such certificates, permits, licenses, qualifications and approvals (specifically identifying those certificates, permits, licenses, qualifications and approvals that are to be obtained after the date hereof), all as disclosed by Borrower and/or Operator as set forth in Exhibit C, attached hereto.

**30.** Lender certifies that it has made reasonable inquiry and has discovered no liens or encumbrances against the Mortgaged Property that are not reflected as exceptions to coverage in the title policy.

**31.** Lender agrees (a) to notify HUD in writing immediately upon learning of any Violation of the Borrower's Regulatory Agreement by Borrower, (b) that Violations under the terms of the Borrower's Regulatory Agreement may only be treated as a default under the Borrower's Security Instrument where HUD requests Lender to do so and (c) following a declaration of default by HUD under the Borrower's Regulatory Agreement and upon the request of HUD, Lender, at its option, may declare the entire Indebtedness to be due and payable.

**32.** Lender agrees to promptly review any request of Borrower to transfer the Project and not unreasonably withhold its approval of such transfer. If HUD approves the transfer, Lender agrees to execute a release and assumption agreement or a security instrument modification agreement incorporating any new Borrower's Regulatory Agreement into the existing Borrower's Security Instrument. It is understood that Lender's consent to the transfer shall in no way prejudice the rights of Lender under the Contract of Insurance with HUD.

**33.** Lender agrees (a) to require Borrower to keep the Mortgaged Property insured at all times against such hazards as Lender and HUD may from time to time require and as set forth in the Borrower's Security Instrument, and (b) to notify HUD of any known payments made by an insurer. Lender certifies that all insurance policies on the Project comply with the terms of the Borrower's Security Instrument, and where applicable, that those insurance policies have attached thereto a standard mortgagee clause making the loss payable to Lender, as its interest may appear, and where applicable, Lender is shown as an additional insured. If Lender determines that any of the Improvements are located in an area identified by the Federal Emergency Management Agency (or any successor to that agency) as an area having special flood hazards, Lender certifies that it has collected or will collect a receipt from the insurance company providing flood insurance evidencing payment for the premium, dated \_\_\_\_\_.

**34.** Lender certifies that the Loan does not violate the usury laws or laws regulating the use or forbearance of money of the Property Jurisdiction.

**35.** If the Borrower’s Security Instrument is assigned to HUD under the Contract of Insurance, HUD shall not be bound by the requirements of this Certificate.

**36.** The term “**Financing Charge(s)**,” as used herein shall mean any charge, direct or indirect, for supplying the Loan to Borrower or servicing the Loan for HUD, Ginnie Mae, a third-party investor or Lender’s own account.

**37.** Lender agrees that, if there is a sale or transfer of all or a partial interest in the Note (other than a sale or transfer of a participation or other beneficial interest, e.g., a transfer of any interest of a Ginnie Mae MBS Security, or the creation of a security interest) or a change of the loan servicer, Lender shall be responsible for ensuring that Borrower is given Notice of the sale, transfer and/or change.

**38.** Lender certifies that the Borrower’s Security Instrument and the UCC Financing Statement filings, along with any other documents required by state law, establish a perfected second lien security interest under the UCC in the UCC Collateral in favor of Lender and HUD, as its interest appears. Lender acknowledges that it must maintain a perfected lien position in the UCC Collateral for the life of the Loan.

Lender hereby certifies that the statements and representations of fact contained in this instrument and all documents submitted and executed by Lender in connection with this transaction are, to the best of Lender’s knowledge, true, accurate, and complete. This instrument has been made, presented, and delivered for the purpose of influencing an official action of HUD in insuring the Loan, and may be relied upon by HUD as a true statement of the facts contained therein.
