	displays a valid OMB control number.	to ensure that viable projects are
		developed and maintained. The
		Department will use this information
		to determine if properties meet HUD
		requirements with respect to
		development, operation and/or asset
		management, as well as ensuring the
		continued marketability of the
		properties. Response to this request
		for information is required in order to
		receive the benefits to be derived from
		the National Housing Act Section 232
		Healthcare Facility Insurance
		Program. This agency may not collect
		this information, and you are not
		required to complete this form unless
		it displays a currently valid OMB
		control number. While no assurance
		of confidentiality is pledged to
		respondents, HUD generally discloses
		this data only in response to a
		Freedom of Information Act request.

p.1	Warning: Any person who knowingly presents a false, fictitious, or fraudulent statement or claim in a matter within the jurisdiction of the U.S. Department of Housing and Urban Development is subject to criminal penalties, civil liability, and administrative sanctions.	Warning: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§ 287, 1001, 1010, 1012; 31 U.S.C. §3729, 3802).
p. 1	New paragraph New line	Privacy Act Statement: The Department of Housing and Urban Development, Federal Housing Administration, is authorized to collect the information requested in this form by virtue of: The National Housing Act, 12 USC 1701 et seq. and the regulations at 24 CFR 5.212 and 24 CFR 200.6; and the Housing and Community Development Act of 1987, 42 USC 3543(a). The information requested is used to review applications within HUD. No information will be disclosed outside of HUD. The information requested is mandatory to receive the mortgage insurance benefits to be derived from the National Housing Act Section 232 Healthcare Facility Insurance Program. No applications will be reviewed or approved without the necessary information requested. No confidentiality is assured. Green MIP:
		(If yes, provide details.)
p. 11	New line	Green MIP Reports Conclusion is: Accepted as is. Cannot be modified.
p. 13	New lines	14. For Green MIP projects, did the project Architect or the energy design professional determine that the project will not achieve the selected green building certification, energy

		and water reductions, and Energy Star Score required for the reduction of the Green MIP rate? N/A 15. For Green MIP project, are the energy conservation measures limited to the area of repairs, alterations, addition and/or new construction rather than covering the entire project? N/A 16. For Green MIP projects, does the energy design professional lack the relevant experience and qualifications as provided in ORCFs Green MIP Program Guidance?
p. 13	< <if "yes"="" above,="" answered="" any="" eligible="" facility="" is="" not="" of="" program.="" questions="" the="" this="" to="" under="" you="">></if>	N/A < <if "yes"="" a="" above,="" after="" answered="" any="" changes="" commitment.="" consider="" eligible="" facility="" firm="" green="" hud="" in="" is="" issuance="" mip="" not="" note:="" of="" participate="" program="" program.="" questions="" the="" this="" to="" under="" will="" you="">></if>
p. 16	5. Is the project in a state with an Olmstead Plan, pending Olmstead cases, Olmstead settlement agreements, or is the project's state active in initiatives to "right-size" nursing facilities or otherwise working to "rebalance" long-term supports and services toward home and community-based settings?	5. Is the project in a state with an Olmstead Plan, pending Olmstead-related cases, an Olmstead-related settlement agreement or orders, or is the project's state active in initiatives to "right-size" nursing facilities or otherwise working to "rebalance" long-term supports and services toward home and community-based settings?
p. 18	Is the architectural reviewer knowledgeable and experienced with local building standards and construction methods for the type of project proposed, including the Federal Fair Housing Accessibility Guidelines and the Uniform Federal Accessibility Standards?	Is the architectural reviewer knowledgeable and experienced with local building standards and construction methods for the type of project proposed, including but not limited to the Federal Fair Housing Accessibility Guidelines (FHAG) and the Uniform Federal Accessibility Standards (UFAS)?
p. 20	New Section	Key Questions – Green MIP Energy Professional

		Yes No 1. Does the energy professional's qualification comply with ORCFs Green MIP Program Guidance? N/A 2. Does the energy professional have experience with energy modeling for the type of healthcare project proposed? N/A
p. 20-21	Lender verification of an appraiser's current standing can be done at http://www.asc.gov.	Lender verification of an appraiser's current standing can be done at http://www.asc.gov. The Energy Professional must have the requisite qualifications as outlined in the Green MIP Program Guidance.

p. 22	New paragraph	For Green MIP projects, describe the scope of work relied upon in selecting the green building standard (e.g., gut rehab, minor renovations, adding an addition or new construction outside the footprint of the existing building; etc.) >>
p. 22	After reviewing the plans, did the architectural reviewer confirm that the plans are <u>not</u> in conformance with FHAG and UFAS requirements?	After reviewing the plans, did the architectural reviewer confirm that the plans are <u>not</u> in conformance with accessibility standards such as FHAG and UFAS requirements?
p. 25	New paragraph	Green MIP Summary – If applicable << Provide narrative discussion. Include the name of the Standard Keeper and also the name of the green building certification and level that will be provided (e.g., LEED, Silver, Gold, etc.). Include the current Energy Star Score and provide the current baseline Energy Use Intensity (kBtu/ft2) as analyzed in the

-	T	
		Statement of Energy Performance
		(SEP), and/or, if new construction or
		an addition is contemplated, provide
		the design (proposed) Energy Use
		Intensity (kBtu/ft2) results and
		prospective Energy Score Rating as
		analyzed in the Statement of Energy
		Design Intent (SEDI) Report. Confirm
		that the proposed energy and water
		reductions, the green building
		certification and the required Energy
		Star Score will be achieved per
		ORCFs Green MIP Program
		Guidance. Energy Conservation
		measures must be designed for the
		entire project>>
