If you do not revoke this authorization, it will automatically expire in 12 months from the date you sign and date the form. Although the information we obtain with this form is almost never used for any purpose other than those stated above, the information may be disclosed by VA without your consent if authorized by Federal laws such as the Privacy Act.

Under the Government Paperwork Elimination Act (GPEA) (Public Law 105-277), the Office of Management and Budget (OMB) ensures that agencies, when practicable, provide for the option of electronic maintenance, submission of disclosure of information and for the use and acceptance of electronic signatures. GPEA states that electronic records submitted or maintained in accordance with the procedures developed by OMB, or electronic signature or other forms of electronic authentication used in accordance with such procedures, "shall not be denied legal effect, validity, or enforceability merely because such records are in electronic form" (Public Law 105-277, section 1707).

PATIENT ACKNOWLEDGMENT: I HEREBY AUTHORIZE the sources listed in Section IV, to release any information that may have been obtained in connection with a physical, psychological or psychiatric examination or treatment, with the understanding that VA will use this information in determining my eligibility to veterans benefits I have claimed. I understand that the source being asked to provide the Veterans Benefits Administration with records under this authorization may not require me to execute this authorization before it provides me with treatment, payment for health care, enrollment in a health plan, or eligibility for benefits provided by it. I understand that once my source sends this information to VA under this authorization, the information will no longer be protected by the HIPAA Privacy Rule, but will be protected by the Federal Privacy Act, 5 USC 552a, and VA may disclose this information as authorized by law. I also understand that I may revoke this authorization in writing, at any time except to the extent a source of information has already relied on it to take an action. To revoke, I must send a written statement to the VA Regional Office handling my claim or the Board of Veterans' Appeals (if my claim is related to an appeal) and also send a copy directly to any of my sources that I no longer wish to disclose information about me. I understand that VA may use information disclosed prior to revocation to decide my claim.

NOTE: For additional information regarding VA Form 21-4142, refer to the following website: https://www.benefits.va.gov/privateproviders/.

PRIVACY ACT INFORMATION: The VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 38, Code of Federal Regulations 1.576 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of identity and status, and personnel administration) as identified in the VA system of records, 58VA21/22/28 Compensation, Pension, Education, and Veteran Readiness and Employment Records - VA, published in the Federal Register. Your obligation to respond is voluntary. However, if the information including your Social Security Number (SSN) is not furnished completely or accurately, the source to which this authorization is addressed may not be able to identify and locate your records, and provide a copy to VA. VA uses your SSN to identify your claim file. Providing your SSN will help ensure that your records are properly associated with your claim file. Giving us your SSN account information is voluntary. Refusal to provide your SSN by itself will not result in the denial of benefits. The VA will not deny an individual benefits for refusing to provide his or her SSN unless the disclosure of the SSN is required by Federal Statute of law in effect prior to January 1, 1975 and still in effect.

RESPONDENT BURDEN: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Public reporting burden for this collection of information is estimated to average 5 minutes per respondent, per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate and any other aspect of this collection of information, including suggestions for reducing the burden, to VA Reports Clearance Officer at VACOPaperworkReduAct@va.gov.
