INSTRUCTIONS FOR APPLYING FOR VETERAN READINESS AND EMPLOYMENT

TO APPLY OR RECEIVE INFORMATION AND ASSISTANCE:

- To apply, you may submit the completed application to Department of Veterans Affairs, Veteran Readiness and Employment (VR&E) Intake Center, P. O. Box 5210, Janesville, WI 53547-5210 or apply online at www.va.gov.
- You may obtain information and assistance from any Veterans Benefits Administration (VBA) office or online at www.va.gov.
- A representative of a Veterans Service Organization and the American Red Cross also have information and forms available.
- Mailing Address: You will not be denied benefits on the basis that you do not have a mailing address under the provisions of 38 U.S.C. 5126. If you do not have a mailing address, please write "none" in response to question 5. However, you must provide an alternative means of contact if you are unable to provide an address or telephone number, so we can schedule your initial evaluation appointment.

EVALUATION: A combined and compensable service-connected disability rating of 10 percent or more by VA is required for you to apply for vocational rehabilitation services. Once your application is received, we will provide you with a comprehensive evaluation where a VA Vocational Rehabilitation Counselor (VRC) will work with you to determine:

1. If you meet the requirements for entitlement Chapter 31 benefits.
2. If you are within the time limit for receiving this benefit, which is generally 12 years from the date VA notified you of your compensation rating for at least a 10% service-connected disability. This 12-year period does not apply if you were discharged on or after January 1, 2013.

PLANNING AND COUNSELING: After a VRC determines that you meet the entitlement requirements, your assigned VRC will assess your vocational rehabilitation and employment needs with you. Subsequently, your VRC will develop a plan of services and assistance with you to help you reach your employment goal. Counseling will be available throughout your program to help you when problems arise.

REHABILITATION SERVICES: Vocational rehabilitation programs do not always require training. You may only need employment services to help you get a suitable job. If your VRC determines that you need training to reach your vocational goal, he or she will also determine the number of months needed to complete your training. You may train in a vocational school, a specialized rehabilitation facility, an apprenticeship program, other on-job training position, a college, or a university. VA will provide medical and dental care treatment, assistance to get and keep suitable employment, and other services you may need. If employment is not currently feasible for you, VA may provide services and assistance to improve your ability to live independently.

SUPPORT: VA may pay for tuition, fees, books, equipment, tools, or other supplies you need to succeed in your rehabilitation program. During your training, you may qualify for a monthly subsistence allowance to help you with your living expenses. Payment for subsistence allowance depends on a variety of factors, which may include your type of training, rate of attendance, and number of dependents. You will receive this allowance in addition to any VA compensation or military retired pay that you may be receiving.

PRIVACY ACT INFORMATION: The responses you submit are considered confidential (38 U.S.C. 5701). Your obligation to respond is required in order to obtain benefits. VA will not disclose information collected on this form to any source other than what has been authorized under the Privacy Act of 1974 or Title 38, Code of Federal Regulations 1.576 for routine uses (i.e., civil or criminal law enforcement, congressional communications, epidemiological or research studies, the collection of money owed to the United States, litigation in which the United States is a party or has an interest, the administration of VA programs and delivery of VA benefits, verification of identity and status, and personnel administration) as identified in the VA system of records, 58VA21/22/28, Compensation, Pension, Education, and Veteran Readiness and Employment Records - VA, published in the Federal Register. Your response is required to obtain benefits (5 CFR 1320.8(b)(3)(iv)). Giving us your Social Security Number (SSN) information is mandatory. Applicants are required to provide their SSN under Title 38 USC 5101 (c) (1). The VA will not deny benefits for any individual refusing to provide his or her SSN unless the disclosure of the SSN is required by a Federal Statute of law in effect prior to January 1, 1975, and still in effect. Information that you furnish may be utilized in computer matching programs with other Federal or State agencies for the purpose of determining your eligibility to receive VA benefits, as well as to collect any amount owed to the United States by virtue of your participation in any benefit program administered by the Department of Veterans Affairs.

The OMB control number for this project is 2900-0009, and it expires August 31, 2025.
