**Instructions for  
Amendment of International Section 214  
Application  
Office of International Affairs**

ITC-AMD

**GENERAL INSTRUCTIONS**

**Purpose of Form**

This form is used to amend a pending application related to an international section 214 authorization: ITC-214, ITC-ASG, ITC-DSC, ITC-FCN, ITC-MOD, ITC-RPT, ITC-STA, ITC-T/C, and ITV-WAV. An amendment is filed when the Applicant needs to make a material change in the pending application.

**Who Must File This Form and When**

Every entity seeking to amend a pending ITC application must use this form to amend the information furnished in the pending application if such information is no longer substantially accurate and complete in all significant respects. The Applicant must file the amendment as promptly as possible and in any event within thirty (30) days from when the change in information occurred (including thirty (30) days from a request by Commission staff for additional information).

**Description of Form**

This form consists of a main form which will bring up the information filed in the application to be amended. The Applicant should make the required changes. There is an ability to file attachment(s) if the changed information pertains to a previously submitted attachment. The Applicant is encouraged to upload a single document in machine readable format, including all

required information. The Applicant must fill in all required fields, upload required documents, make all required certifications, and sign the form before submitting the application.

### **Information Current and Complete**

Information filed in the application with the Commission must be kept current and complete under [section 1.65](#) of the Commission's rules. [Section 63.50](#) of the Commission's rules, 47 CFR § 63.50, permits the Applicant or the party to the application as a matter of right to amend any application prior to the date of any final action taken by the Commission. Pursuant to [Section 63.50](#), Applicant(s) must notify the Commission regarding any substantial and significant changes in the information furnished in the application while it remains pending. The Applicant can file a further amendment to a submitted application by filing a separate ITC-AMD form.

### **Applicable Rules and Regulations**

[Section 63.50](#) of the Commission's rules allows for the amendment of pending applications.

Any application may be amended as a matter of right prior to the date of any final action taken by the Commission or designation for hearing. Amendments to applications shall be signed and submitted in the same manner, and with the same number of copies as was the original application. If a petition to deny or other formal objections have been filed to the application, the amendment shall be served on the parties. 47 CFR § 63.50.

The requirements for applications related to international section 214 authorizations can be found in 47 CFR §§ 63.11, 63.13, 63.18, 63.19 and 63.24.

Applicant(s) should refer to the Debt Collection Improvement Act of 1996. The Debt Collection Act requires all federal agencies ensure that no debtors to the Federal government obtain any licenses or other benefits from the FCC. To ensure this, the Commission must collect FRN information to correlate its Applicants with any outstanding Federal debt that they might have incurred in other dealings with the Federal government. For additional information, , see the [FCC's Debt Collection webpage](#).
