SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-522, OMB Control No. 3235-0586]

**Submission for OMB Review;
Comment Request; Extension: Rule
38a-1**

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 38a-1 (17 CFR 270.38a-1) under the Investment Company Act of 1940 (15 U.S.C. 80a) (“Investment Company Act”) is intended to protect investors by fostering better fund compliance with securities laws. The rule requires every registered investment company and business development company (“fund”) to: (i) adopt and implement written policies and procedures reasonably designed to prevent violations of the federal securities laws by the fund, including procedures for oversight of compliance by each investment adviser, principal underwriter, administrator, and transfer agent of the fund; (ii) obtain the fund board of directors’ approval of those policies and procedures; (iii) annually

review the adequacy of those policies and procedures and the policies and procedures of each investment adviser, principal underwriter, administrator, and transfer agent of the fund, and the effectiveness of their implementation; (iv) designate a chief compliance officer to administer the fund’s policies and procedures and prepare an annual report to the board that addresses certain specified items relating to the policies and procedures; and (v) maintain for five years the compliance policies and procedures and the chief compliance officer’s annual report to the board.

The rule contains certain information collection requirements that are designed to ensure that funds establish and maintain comprehensive, written internal compliance programs. The information collections also assist the Commission’s examination staff in assessing the adequacy of funds’ compliance programs.

The Commission staff estimates that 13,628 funds are subject to rule 38a-1. Based on these estimates, the total annual burden hours associated with Rule 38a-1 is 476,980 hours. The estimated total annual burden hours associated with rule 38a-1 have increased 25,572 hours, from 451,408 hours to 476,980 hours and external costs increased from \$19,608,000 to \$23,876,256. These changes in burden hours and external costs reflect changes in the number of affected entities and in the external cost associated with the information collection requirements. These changes reflect revised estimates.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is based on communications with industry representatives and is not derived from a comprehensive or even a representative survey or study. Responses will not be kept confidential. Other information provided to the Commission in connection with staff examinations or investigations is kept confidential subject to the provisions of applicable law. If information collected pursuant to rule 38a-1 is reviewed by the Commission’s examination staff, it is accorded the same level of confidentiality accorded to other responses provided to the Commission in the context of its examination and oversight program. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular

information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice by August 12, 2024 to (i) *MBX.OMB.OIRA.SEC_desk_officer@omb.eop.gov* and (ii) Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Oluwaseun Ajayi, 100 F Street NE, Washington, DC 20549, or by sending an email to: *PRA_Mailbox@sec.gov*.

Dated: July 8, 2024.
