Changing Your Email Address

Ensure that your e-mail address on record with eAuth is correct. FPRS automatically sends e-mail notifications to the eAuth e-mail addresses of users whose form submissions are rejected so that they may make the necessary corrections.

To check and then, if necessary, modify your eAuthentication e-mail, use the following steps:

1. From the [eAuthentication Home page](#), click the Update your Account link from the Quick Links menu on the left side of the page.
