INSTRUCTIONS FOR WIC FARMERS' MARKET NUTRITION (FMNP) PROGRAM ANNUAL FINANCIAL AND PROGRAM DATA REPORT

PURPOSE

Each State agency administering the WIC Farmers' Market Nutrition Program (FMNP) shall use the FMNP Annual Financial Report to: (1) report the composition and disposition of its authorized FMNP grant for the Federal fiscal year closed out (i.e., the "report year"); (2) declare its intentions to exercise spending options provided by 7 CFR 248.14; and (3) report the FMNP cost of the report year. FNS will use this information to close out the State agency's financial account for the report year.

Part A - Heading

1. Federal Agency identifies the Federal agency. It is self-explanatory.
2. State 7-Digit Code. Enter the seven-digit State agency identification code assigned by FNS.
3. DUNS/UEI No. OMB requires entities applying for Federal grants to provide government agencies with a Universal Identifier. The initial and annual FMNP State Plan submissions are considered to be applications for a federal grant, and thus State agencies must comply with this requirement. Currently, the Universal Identifier system in use is the Unique Entity ID assign by SAM.GOV.
4. State Agency. Identifies the State agency and address. Self-explanatory.
5. Basis. Check the block that identifies the reporting basis (cash or accrual) used to prepare the report.

8. Backspend to Prior Year. Enter the dollar amount of funds originating in the report formula grant as applied to food and/or admin outlays of the preceding Federal fiscal year. These amounts are to be reported as negative numbers.

9. Subtotal. (Row 7 plus row 8).
