

OMB Control #0690-0038
Expiration Date: 07/31/2026

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0690-00038. Without this approval, we could not conduct this survey/information collection. Public reporting for this information collection is estimated to be approximately 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the NIST Public Safety Communications Research at: 325 Broadway, Boulder, CO 80305, Attn: MCV Portfolio/Alison Kahn, alison.kahn@nist.gov.

Mission Critical Voice (MCV) Virtual Roundtable RSVP Form

This virtual roundtable will be a two-day series held during the week of April 22nd for 2 hours each day. Specific days will be determined based on attendee availability – be sure to RSVP and indicate your availability in the form below **by Friday, March 22nd**.

During part 1, NIST PSCR will meet with stakeholders in groups according to public safety discipline/focus area to:

- Gather information from public safety regarding their current use of voice communications
- Define requirements for voice communication evolution
- Identify opportunities for NextGen communications

During part 2, NIST PSCR will convene all participants from part 1 into a single session. In this session, we will:

- Highlight key takeaways from the individual sessions in part 1
- Outline areas of convergence and difference from the various disciplines
- Discuss outstanding areas of interest/concern

Please fill out the form below to submit your RSVP response and provide the MCV team with information to inform the roundtable discussion series.
