

OMB Control #0693-0043
 Expiration Date: 06/30/2025
 NIST Generic Clearance for Usability Data Collections

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0693-0043. Without this approval, we could not conduct this survey/information collection. Public reporting for this information collection is estimated to be approximately 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the National Institute of Standards and Technology at: 100 Bureau Drive, Gaithersburg, MD 20899, Attn: Theodore Jensen, theodore.jensen@nist.gov.

Field	Description
Title	<p><i>Enter the name of the task. Be specific. For example, enter Tag landmark images instead of Tag photos. The title is displayed to workers.</i></p> <p>Questionnaire Exploring Perceptions of Artificial Intelligence</p>
Description	<p><i>Describe the task. The search mechanism searches using this description, so use words you think will help workers find your HITs.</i></p> <p>The National Institute of Standards and Technology (NIST) is conducting this study supported by TeamMBforNIST. Read vignettes describing artificial intelligence (AI) systems and respond to questions on your perceptions. Study takes approximately 30 minutes.</p>
Keywords	<p><i>Enter a comma-separated list of words that workers can use to find your HIT.</i></p> <p>Research, study, survey, questionnaire, AI, perceptions.</p>
Survey Link Instructions	<p>NIST is conducting a study about artificial intelligence (AI). The study will take approximately 30 minutes and compensates \$7.25 for approved responses. Select the link below to complete the survey. At the end of the survey, you will receive a code to paste into the box below to receive credit for taking our survey.</p>

The following text will be used to describe the Human Intelligence Task (HIT) to prospective participants on Amazon MTurk.
