

Option 20 Items

Privacy Act Statement

AUTHORITY: 10 U.S. Code Section 3013, Secretary of the Army; 10 U.S. Code Section 2358, Research and Development Projects

PRINCIPAL PURPOSE: To facilitate scientific assessments of personnel and training dimensions essential to the recruitment, selection, assignment, evaluation, and training of military personnel; and to inform Army policies that may enhance the Soldier lifecycle, human capital management, and the readiness effectiveness of the Army. See the System of Record Notice A0602 AHRC-ARI.

ROUTINE USES: The routine use is for research and reporting purposes and not for making determinations about specific individuals. In addition to the disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act of 1974, these records or information contained therein may be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3).

DISCLOSURE: Providing information on this survey is voluntary. There is no penalty for not responding to any question.

Agency Disclosure Notice

The public reporting burden for this collection of information, 0702-ALSK, is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or burden reduction suggestions to the Department of Defense, Washington Headquarters Services, at whs.mc-alex.esd.mbx.dd-dod-information-collections@mail.mil. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

Identifying Soldiers in Alaska
