¹ English version is provided as Att^a (e.g., AttC1a_Core_CATI) and Spanish translation is available as Att^b (e.g., AttC1b_Core_CATI)

² Multiple gestation live birth pregnancies receive Att²; all others receive Att¹

³ Online occupational questionnaire (OOQ) varies slightly depending upon the participant's reported area of occupation (agriculture [AttF1.1], cosmetology [AttF1.2], electronic equipment operator [AttF1.3], healthcare [AttF1.4], janitorial [AttF1.5], office worker [AttF1.6], restaurant [AttF.7], or teaching [AttF1.8])

⁴ Att¹ is for stillbirth without a birth defect and Att² for live born controls and stillbirths with a birth defect

⁵ Att¹ is for women who completed both the core and stillbirth CATI, Att² is for women who completed the core CATI but not the stillbirth CATI, and Att³ for women completed the stillbirth CATI at a later date.

⁶ Att¹ is for former BD-STEPS participants and Att² for women who did not participate in BD-STEPS
