1. Purpose

The purpose of this user guide is to provide instructions for registering as a new user in the Centers for Medicare & Medicaid Services (CMS) Identity Management (IDM) system to request access to the Fee-for-Service Data Collection System (FFSDCS) Average Sales Price (ASP) Module.

CMS requires an automated data collection system that can collect and synthesize large amounts of data related to products falling under the Fee-for-Service (FFS) payment mechanisms.

CMS supplies the Medicare FFS claims processing contractors with the drug pricing files for Medicare Part B. CMS uses the FFSDCS to house various Fee-for-Schedule platforms, including the ASP Module.

Before you can log in to any FFSDCS Module, you must create a new user account. All FFSDCS Module users, regardless of their role, must complete the new user registration steps in the following section.

2. New User Registration

You must have an IDM username and password to access the ASP Module. Follow these steps to register with IDM and receive your credentials:

1. Navigate to the [CMS Enterprise Portal](#) main page.

The **FFSDCS Module Login Page** opens. Refer to *Figure 1*.

The screenshot shows the CMS.gov Enterprise Portal login interface. At the top, there are two tabs: "Login" and "Login with PIV Card". The main content area has the CMS.gov logo and "Enterprise Portal" text. Below this, there are two input fields: "User ID" and "Password", both with red error messages stating "User ID is a required field" and "Password is a required field" respectively. A checkbox labeled "I agree to the Terms & Conditions" is present below the password field. A large green "Login" button is centered below the checkbox. At the bottom of the main form, there are two links: "Forgot your User ID or your Password?" and "Need to unlock your account?". Below the main form is a separate blue button labeled "New User Registration".

Figure 1: CMS Enterprise Portal - Login Page

2. Click the **New User Registration** button.

The **Select Your Application** page opens. Refer to *Figure 2*.

The screenshot shows the "Step #1: Select Your Application" page. The title "Step #1: Select Your Application" is in blue. Below the title, there is a subtitle: "Step 1 of 3 - Select your application from the dropdown. You will then need to agree to the terms & conditions." A light blue dropdown menu is displayed with the text "Select Your Application" and a downward arrow icon on the right side.

Figure 2: New User Registration - Select Your Application Drop-down

3. Click the **Select Your Application** drop-down; select **FFSDCS** from the list of applications.

The **Step #1: Terms and Conditions** page opens. Refer to *Figure 3*.

Step #1: Select Your Application

Step 1 of 3 - Select your application from the dropdown. You will then need to agree to the terms & conditions.

FFSDCS

Application Description: The Fee for Service Data Collection System (FFSDCS) application collects data related to Medicare Part B reimbursement information.

Terms & Conditions

OMB No.0938-1236 | Expiration Date: 08/31/2025 | Paperwork Reduction Act

Consent to Monitoring

By logging onto this website, you consent to be monitored. Unauthorized attempts to upload information and/or change information on this web site are strictly prohibited and are subject to prosecution under the Computer Fraud and Abuse Act of 1986 and Title 18 U.S.C. Sec.1001 and 1030. We encourage you to read the [HHS Rules of Behavior](#).

[Protecting Your Privacy](#)

I agree to the Terms and Conditions

Next [Cancel](#)

Figure 3: New User Registration - Terms & Conditions

4. Read the **Terms & Conditions**. If you agree, select the **I agree to the Terms & Conditions** checkbox; click **Next**.

Note: By selecting this checkbox, you certify that you read and consent to monitoring while accessing and using the portal. The terms and conditions describe why the application collects personally identifiable information (PII), which is to identify the unique, new user who is registering to use the application.

The terms and conditions link provides additional hyperlinks to the HHS Rules of Behavior and the CMS Privacy Act Statement.

5. The **Step #2: Register Your Information** page opens. Refer to *Figure 4*.

Step #2: Register Your Information

Step 2 of 3 - Please enter your personal and contact information.

All fields are required unless marked (optional).

6. Enter your personal information in each of the required fields; click **Next**.

Note: The application requires you to complete all fields unless marked as optional.

The **Step #3: Create User ID, Password & Security Question/Answer** page opens. Refer to *Figure 5*.

Step #3: Create User ID, Password & Security Question/Answer

Step 3 of 3 - Please create User ID and Password. Select a Security Question and provide Answer.

All fields are required unless marked (optional).

Enter User ID

Required field.

Enter Password  Confirm Password 

Must contain a minimum of 15 characters. Required field.

Security answer to be used in case you forget your password or you need to unlock your account.

Select Security Question 

Enter Security Answer

Back Next [Cancel](#)

Figure 5: New User Registration - Step #3 Create User ID & Password

7. Type your desired user identification in the **User ID** field.

Note: Per the User ID Requirements, your user ID must:

- a. Consist of a minimum of six (6) alphanumeric characters and cannot exceed seventy-four (74) characters.
- b. Contain at least one (1) uppercase or lowercase letter.
- c. Contain one (1) special character. You may use hyphens (-), underscores (_), apostrophes ('), and periods (.).
- d. Not have a special character as the first or last letter of your user ID.
- e. Not contain eight (8) consecutive numbers.

8. Type your desired password in the **Password** field; then re-type your password in the **Confirm Password** field. Passwords must match before you move onto the next step.

Note: Your password must conform to the [CMS Acceptable Risk Safeguards \(ARS\) Password Policy](#). You may only change your password once every 24 hours. Per the password policy, your password must:

- a. Consist of a minimum of fifteen (15) alphanumeric characters and cannot exceed sixty (60) characters.
- b. Contain at least one (1) uppercase and one (1) lowercase letter.
- c. Contain at least one (1) number.
- d. Not contain part of your user ID, first name, last name, or common passwords.
- e. Be different from your previous six (6) passwords.

Note: Special characters are optional in your password. The system accepts the following special characters: ('), ("), (!), (#), (\$), (%), (&), ((), ()), (*), (+), (,), (-), (.), (/), (:), (;), (<), (>), (=), (?), (@), ([), (]), (^), (_), (`), (~).

9. Select a security question from the **Security Question** drop-down; enter your answer in the **Security Answer** field. Refer to *Figure 6*.

Note: The system requires your security answer to reset your password or unlock your account. Per the security answer requirements, your security answers:

- a. Must contain at least four (4) alphanumeric characters.
- b. Cannot contain part of your security question.
- c. Can contain spaces.

The screenshot shows a web browser window with the URL "An official website of the United States government". The page title is "Security Question/Answer". On the left, a dropdown menu titled "Select Security Question" is open, displaying a list of 20 questions. Below the dropdown is a text input field labeled "Enter Security Answer" with a red border and a "Required field." label above it. At the bottom, there are three buttons: "Back", "Next", and "Cancel". A blue help button labeled "How can I help you?" is located in the bottom right corner.

Figure 6: New User Registration - Security Question/Answer Page

10. Click **Next** to complete the registration process.

The **New User Registration Summary** page opens. Refer to *Figure 7*.

New User Registration Summary

Please review your information and make any necessary changes before submitting.

Submit User

Cancel

Figure 7: New User Registration - Summary

Note: You may click the **Cancel** button to exit out of the registration process; however, the system does not save any of the changes you entered.

11. Review the **New User Registration Summary** page; make necessary changes.
12. Click the **Submit User** button to complete the registration process.

A Confirmation message displays. Refer to

Figure 8.

Figure 8: New User Registration Confirmation

13. Click the **login** hyperlink to return to the main login page.

Note: Wait at least five minutes before logging in to the FFSDCS Module with your new User ID and Password.

3. Logging in Using MFA

Following registration, use these steps to log in to the FFSDCS Module:

1. Navigate to the [CMS Enterprise Portal](#) main page.

The **FFSDCS Module Login Page** opens. Refer to *Figure 9*.

The screenshot shows the login interface for the FFSDCS Module. At the top, there are two tabs: "Login" (selected) and "Login with PIV Card". Below the tabs is the CMS.gov logo and "Enterprise Portal". The main form area contains two input fields: "User ID" and "Password", both with red error messages stating "User ID is a required field" and "Password is a required field" respectively. Below the fields is a checkbox labeled "I agree to the [Terms & Conditions](#)". A large green "Login" button is positioned below the checkbox. Underneath the button, there are two hyperlinks: "Forgot your [User ID](#) or your [Password](#)?" and "Need to [unlock](#) your account?". At the bottom of the page, there is a blue button labeled "New User Registration".

Figure 9: Logging in Using MFA - FFSDCS Module Login Page

2. Type your user ID and password in the **User ID** and **Password** fields.
3. Click the **Terms & Conditions** hyperlink and review the text in the pop-up window; close the window.
4. Read the terms and conditions. If you agree, select the **I agree to the Terms & Conditions** checkbox.

Note: By selecting this checkbox, you certify that you read and consent to monitoring while accessing and using the portal. Additionally, the terms and conditions provide hyperlinks to the HHS Rules of Behavior and the CMS Privacy Act Statement.

5. Click **Login**.

Note: If you forget your user ID or password, click the appropriate hyperlinked text in **Forgot your User ID or your Password?** under the **Login** button and follow the provided instructions. If you are still not able to access your account and need to unlock your account, click the hyperlinked unlock text under **Need to unlock your account?**

To confirm the security of the FFSDCS Module, as well as your data, you must authenticate your identity using a multifactor authentication (MFA) process. Users have various authentication options, including Interactive Voice Response (IVR), Email, Text Message (Short Message Service (SMS)), or Okta Verify.

6. Click the **Select MFA Device** drop-down; select your preferred MFA device type from the list. Whenever you log back into the ASP Module through this process, your preferred method of MFA reloads automatically. Refer to *Figure 10*.

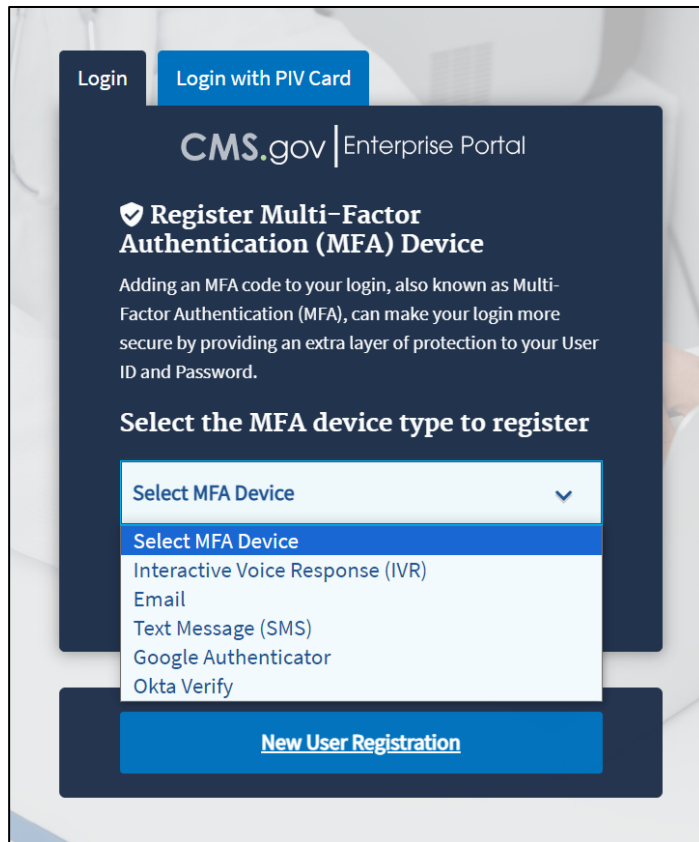

Figure 10: Logging in Using MFA - Select MFA Device Type Drop-Down

7. Click the **Send MFA Code** green button to receive a one-time phone call, email, text message, or other communication to confirm registration of your identity with the FFSDCS Module. This user guide demonstrates email as the chosen MFA method. Refer to *Figure 11*.

Figure 11: Logging in Using MFA - MFA Code

The Module sends an email with a six-digit code to confirm your identity. Refer to *Figure 12*.

Figure 12: Logging in Using MFA - Confirmation Code in Email

8. Record and type the six-digit code into the **Enter MFA Code** field. Click the **Add Device** button to confirm your identity and enter the FFSDCS Module.

The **My Portal** landing page opens, displaying a **Welcome to CMS Enterprise Portal** message. Refer to *Figure 13*.

Figure 13: Logging in Using MFA - My Portal Landing Page

4. Select User Role/Application Request

The Medicare ASP Data Collection System is a role-based system. This means that certain system functions link to specific user role profiles. When a new user receives access, the approved role provides access to the specific functions the user needs.

As noted above, the two roles are:

Submitter: This role is designated for the person who gathers the required Medicare Part B drug data to enter and submit into the system. Once this person has completed and submitted the data, they generate a one-time password (OTP) to send to the Certifier to establish a relationship within the system. This step only happens once to initiate the relationship and only needs to happen again if the person in either role changes. A Submitter can be any individual the manufacturer chooses, including a third-party contractor.

Certifier: This role is designated for the person who reviews the information the Submitter reports to ensure it is correct and complete. The Certifier then certifies the submission of the reported data. If the Certifier requires changes to the originally submitted data reported in the system, the Certifier must notify the Submitter to update and submit the revised data. As stated in 42 CFR 414.804(a)(7), the Certifier must be the manufacturer's Chief Executive Officer (CEO) or Chief Financial Officer (CFO) or an individual who has delegated authority to sign for, and who reports directly to, the manufacturer's CEO or CFO.

It is at the discretion of each organization who to designate as Submitter and Certifier. These individuals require access to financial data and must have a strong working knowledge of how the organization operates. The Submitter and Certifier must be two different authorized representatives from the Drug Manufacturer. The manufacturer's CEO or CFO assumes responsibility for the information entered into the system.

Follow these steps to request access to an application and establish your role in the application:

1. Click the **Add Application** button.

The **Request Application Access** page opens. Refer to *Figure 14*.

Figure 14: Select User Role/Application Request - Request Application Access

- Click the **Select an Application** drop-down; scroll or search for your application. Refer to *Figure 15*.

Figure 15: Select User Role/Application Request - Select an Application Drop-down

- Select **FFSDCS** from the drop-down menu. To be a Submitter or Certifier, you must register for the role on the FFSDCS Module.

The **Request Application Access** page opens. Refer to *Figure 16*.

Figure 16: Select User Role/Application Request - Select an Application

- Click the **Next** button.

A checkmark displays next to **FFSDCS**; the application automatically moves you to the **Select a Role** section. Refer to *Figure 17*.

Request Application Access

The following is the step-by-step process for requesting a role in a CMS Enterprise Portal application. A summary of each step taken will be shown after each step. You will be presented with all your role related information to review at the last step. Please note that the number of steps and the questions asked will vary depending on the role that you are requesting and your current level of access.

You can review your current roles and pending role requests in [My Access](#).

Protecting Your Privacy

Protecting your Privacy is a top priority at CMS. We are committed to ensuring the security and confidentiality of the user registering to EIDM. Please read the [CMS Privacy Act Statement](#), which describes how we use the information you provide.

Personal information is described as data that is unique to an individual, such as a name, address, telephone number, Social Security Number, and date of birth (DOB). CMS is very aware of the privacy concerns around PII data. In fact, we share your concerns. We will only collect personal information to verify your identity. Your information will be disclosed to Experian, an external authentication service provider, to help us verify your identity. If collected, we will validate your Social Security Number with Experian only for the purposes of verifying your identity. Experian verifies the information you give us against their records. We may also use your answers to the challenge questions and other PII to later identify you in case you forget or misplace your User ID /Password.

HHS Rules of Behavior

We encourage you to read the [HHS Rules of Behavior](#), which provides the appropriate use of all HHS information technology resources for Department users, including Federal employees, contractors, and other system users.

I have read the HHS Rules of Behavior for Privileged User Accounts (addendum to the HHS Rules of Behavior (HHS PoB) document number HHS-OCIO-2013-0003S

Appendix B: Glossary

Table 3 provides a list of terms, acronyms, and definitions in this document.

Table 3: Glossary

Expanded Form	Acronym/Term	Definition
Average Sales Price	ASP	ASP refers to the price at which an organization typically sells a certain class of good or service. CMS uses manufacturer-reported ASPs, based on manufacturers' actual quarterly drug sales, to calculate provider payment amounts for these drugs. Federal law defines the price.
Centers for Medicare & Medicaid Services	CMS	CMS is a federal agency within the U.S. Department of Health and Human Services that administers the Medicare program and works in partnership with state governments to administer Medicaid, the State Children's Health Insurance Program, and health insurance portability standards.
Chief Executive Officer	CEO	A CEO is the highest-ranking officer or Administrator in charge of management with a corporation.
Chief Financial Officer	CFO	A CFO is the corporate executive having financial authority to make appropriations and authorize expenditures for a firm.
Eastern Standard Time	EST	EST is the standard time in the 5th time zone west of Greenwich, reckoned at the 75th meridian. This time zone is in the eastern part of the United States.
Experian	NA	Experian is a global credit information group.
Fee-for-Service Data Collection System	FFSDCS	The FFSDCS is an instrument to collect cost, revenue, utilization, and other information for FFS claims.
Identity Management	IDM	IDM is the process of managing user access to data.
Interactive Voice Response	IVR	IVR is a technology that allows a computer to detect voice and DTMF keypad inputs.
Medicare	NA	Medicare is the federal system of health insurance for people over 65 years of age and for certain younger people with disabilities.
Medicare Modernization Act	MMA	The MMA, or Medicare Prescription Drug, Improvement, and Modernization Act, is a federal law.
Medicare Part B	NA	Medicare Part B is the part of Medicare that covers doctor services, outpatient hospital care, and other medical services that Part A does not cover such as physical and occupational therapy, X-rays, medical equipment, or limited ambulance service.
Multifactor Authentication	MFA	MFA is a security system that implements more than one form of authentication to verify the legitimacy of a transaction.

Expanded Form	Acronym/Term	Definition
Okta	NA	Okta is an enterprise-grade, identity management service, built for the cloud, but compatible with many on-premises applications.
One-Time Password	OTP	An OTP is a password that is valid for only one login session or transaction.
Personally Identifiable Information	PII	PII is information that identifies or describes an individual, including but not limited to name, address, telephone number, Social Security Number, credit card number, and personal characteristics that make individual identity easily discoverable.
Short Message Service	SMS	SMS is a text messaging service component of phone, web, or mobile communication systems. It uses standardized communication protocols to allow fixed-line or mobile phone devices to exchange short text messages.
