

Overview

Manufacturers have the option to use this template to upload product data into ASP.

You will enter the financial data for upload on the "Financial Data Template" worksheet.

Data can be uploaded during the 30-day submission period after the end of the quarter.

It is recommended to upload this template no later than 5 days prior to the submission due date each quarter.

There is a separate template to upload product data.

Requested Information

For each NDC or Alternate ID, enter the following:

column a. Manufacturer Name

column b. NDC1

column c. NDC2

column d. NDC3

column e. Alternate ID

column f. Manufacturer's Average Sales Price

column g. Number of ASP Units

column h. Wholesale Acquisition Cost

column i. Average Wholesale Price

Do not change the column names.
