

# State Rating Requirements Disclosure Form

---

## **PRA Disclosure Statement**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is **0938-1258**. This information collection allows CMS to use the information on state rating and risk pooling requirements to determine whether state-specific rules or Federal default rules apply and to accurately implement the risk adjustment methodology for health plans in the States. The time required to complete this information collection is estimated to average less than 7.3 hours per response, including the time to review instructions, search existing data resources, gather the data needed, to review and complete the information collection. This information collection is required to obtain or retain a benefit (section 2701 of the Public Health Service Act, as added and amended by the Affordable Care Act, and section 1312(c) of the Affordable Care Act) and data from this collection will be published and accessible to the public. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attention: Information Collections Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850 or [Russell.tipps@cms.hhs.gov](mailto:Russell.tipps@cms.hhs.gov).

**Instructions:**

Complete this disclosure form to provide rating requirements specific to your state and/or to request approval for geographical rating areas or state-specific uniform age rating curves.
