

CMS Response to Public Comments Received for CMS-10279

The Centers for Medicare and Medicaid Services (CMS) received one comment from an individual. This is the reconciliation of the comment.

Comment:

CMS received a comment from an individual who states that Ambulatory Surgical Center Conditions for coverage should be available to U.S. Citizens only. Then the person starts talking about the cost of illegal immigration and tax credits.

Response:

The comment is out of the scope of the information collection.
