See Training and Employment Guidance Letter (TEGL) <u>06-15</u>, which provides guidance on the types of work sites that are acceptable for construction training for YouthBuild participants and describes the minimum construction activities allowed for work site training.

A separate ETA-9143 with all relevant attachments is required for each YouthBuild work site. A work site may include multiple housing units, but not multiple addresses.

For each work site, complete the following:

- all sections of ETA-9143 pages 1 and 2, and attach letters of commitment documenting all resources listed on page 2
- all sections of Attachments A and B

Page 1, all letters attached to page 2, and Attachment A must be dated less than six months before submission to DOL.

If YouthBuild grant or match funds will be used for construction materials, complete Attachment C. If not, omit.

If any of the work site units are currently occupied, complete Attachment D. If not, omit.
