Checklist Questions

Community Reinvestment Commitments

An applicant completing either the *Interagency Bank Merger Act Application* or the *Business Combination Application—Streamlined* must respond to the following two questions and, if applicable, provide the requested information.

1. Have any of the combining institutions entered into commitments with community organizations, civic associations, or similar entities to provide banking services to the community?

Yes No

If the answer is yes, describe the commitment.

2. Will the resulting bank assume all the commitments described in the previous question?

Yes No

If the answer is no, explain the reasons and describe the impact on the communities to be affected.

Competitive Factors - Removal from Expedited Processing

Although an application may initially qualify for expedited processing, it could be removed from expedited processing if there are competitive issues that warrant additional review. Each applicant that submits a Competitive Analysis for an unaffiliated business combination must answer the following questions:

1. Does the HHI for any relevant banking market increase by more than 200 points with a post-acquisition HHI of at least 1800?

Yes No

2. Excluding markets in which the acquiring bank has 35 percent or more of the deposits, will the resulting bank have greater than 35 percent of the deposits in a relevant market?

Yes No

A yes answer for either question indicates the application will be removed from expedited processing for additional competitive review.
