

Application for Charter or Bylaw Amendment

General Information and Instructions

Preparation and Use

This application seeks approval from the Office of the Comptroller of the Currency (OCC) for a federal savings association (FSA) or covered savings association (CSA) (collectively, applicant) to effect a charter or a bylaw amendment under 12 CFR 5.21(f), 12 CFR 5.21(j), 12 CFR 5.22(f), or 12 CFR 5.22(j).

An FSA or CSA must file an application with the OCC if the applicant proposes to adopt a charter that differs from the standard form or any of the optional charter amendments. In addition, an FSA or CSA must file an application with the OCC if the proposed bylaw amendment is inconsistent with the language in the OCC's model or optional bylaws and is not a bylaw making a corporate governance election.

All questions must be answered with complete and accurate information that is subject to verification.

The information required in the application is not intended to limit the applicant's presentation nor is the information intended to duplicate information supplied on another form or in an exhibit. For such information, a cross-reference to the information is acceptable. Any cross-reference must be made to a specific cite or location in the documents, so the information can be found easily. Supporting information for all relevant factors, setting forth the basis for the applicant's conclusions, should accompany the application. The regulatory agency may request additional information.

This application form collects information that the OCC will need to evaluate an FSA or CSA charter or bylaw amendment. The OCC must consider the applicable regulatory requirements when acting on this application. For additional information regarding these regulatory requirements, as well as processing procedures and guidelines and any supplemental information that may be required, refer to the OCC's procedural guidelines in the *Comptroller's Licensing Manual*. The applicant may contact the OCC directly for specific instruction or visit its Web site at www.occ.gov.

Submission

The OCC encourages electronic filing for all filings. The *Comptroller's Licensing Manual* describes the OCC's electronic filing procedures. The OCC's electronic filing system, called the Central Application Tracking System (CATS), allows applicants to complete and submit certain filings online. Some forms can be completely filled out online, while other forms and supporting documents may be completed offline and uploaded individually. For e-mail submissions, contact the OCC for instructions and information about secure transmission of confidential material.

Confidentiality

Any applicant desiring confidential treatment of specific portions of the notice must submit a request in writing with the notice. The request must discuss the justification for the requested treatment. The applicant's reasons for requesting confidentiality should specifically demonstrate the harm (for example, loss of competitive position, invasion of privacy) that would result from public release of information (5 USC 552 or relevant state law). Information for which confidential treatment is requested should be (1) specifically identified in the public portion of the notice (by reference to the confidential section); (2) separately bound; and (3) labeled "Confidential." The applicant should follow the same procedure when requesting confidential treatment for the

subsequent filing of supplemental information to the notice. Contact the OCC for any further questions regarding requests for confidential treatment.
