This is to certify that I have reviewed the indirect cost rate proposal submitted herewith and to the best of my knowledge and belief:

(1) All costs included in this proposal \_\_\_\_\_  
[identify date]  
to establish billing or final indirect cost rates for

\_\_\_\_\_  
[identify period(s) covered by the rate(s)]  
are allowable in accordance with the requirements of the Federal award(s) to which they apply and the provisions of 2 CFR Part 200 Subpart E-Cost Principles. Unallowable costs have been adjusted for in allocating costs as indicated in the indirect cost proposal.

(2) All costs included in this proposal are properly allocable to Federal awards on the basis of a beneficial or causal relationship between the expenses incurred and the agreements to which they are allocated in accordance with applicable requirements. Further, the same costs that have been treated as indirect costs have not been claimed as direct costs. Similar types of costs have been accounted for consistently and the Federal government will be notified of any accounting changes that would affect the predetermined rate.

I declare that the foregoing is true and correct.
