

School Integrated Pest Management (SIPM) Awards Program ICR
(EPA ICR No. 2531.03; OMB Control No. 2070-0200)

Attachment D: Summary Consultation & Stakeholder Response

All consultations were done over the telephone. All stakeholders contacted were emailed a copy of the SIPM forms (**Attachment C**) and asked if the burden estimates calculated by the Agency to complete them had change since the last renewal.

Howard Country Public Schools of Maryland Response: After receiving and reviewing the applications, the stakeholder agreed with the burden estimates provided by EPA.

University of Arizona Response: After receiving and reviewing the application the stakeholder agreed with the burden estimates provided by EPA.

Texas A&M Response: After receiving and reviewing the applications, the stakeholder agreed with the burden estimates provided by EPA.
