Peace Corps Returned Volunteer Impact Survey

Thank you for your service. In order to support current and future Peace Corps Volunteers (PCVs) and Returned Peace Corps Volunteers (RPCVs), and in accordance with the Sam Farr and Nick Castle Peace Corps Reform Act of 2018, we are asking you to answer some brief questions to better understand how your experiences after Peace Corps service may have been impacted by your time spent as a PCV.

This survey is conducted by the Peace Corps, and is entirely voluntary. Your responses will remain private to the extent permitted by law, as is provided for in the Privacy Act of 1974. This information is protected and maintained in the Peace Corps systems of record PC-17, PC-18 for Returned Peace Corps Volunteers. Your survey responses will be summarized in reports along with the responses of other returned Volunteers in aggregate form only. This survey will take approximately 15 minutes to complete. The OMB control number for this collection is #xxxx-xxxx, which expires on xx/xx/xxxx. For any questions, comments, or concerns that you may have, please email the Peace Corps Returned Volunteer Impact Survey team at RPCVsurvey@survey.peacecorps.gov.

We would like you to think back to your Peace Corps service. **If you served more than once**, either as a two year Peace Corps Volunteer (PCV) or as a Peace Corps Response/Crisis Corps Volunteer, **you should refer only to your first service**. Please answer the following questions to the best of your ability.

Please indicate how much agree or disagree with the following statements related to your Peace Corps service.
