A. Basic Project Information

Project Title:

Project Length: Typical award is for 2-3 years (*projects of greater complexity may be awarded for a longer period, not to exceed 5 years*).

Project Abstract: Provide a brief description of the project. If funded, the abstract will be posted on the Wood Innovations website and available to the general public. (*This field accommodates up to 1,625 characters and spaces.*)

BELOW ARE THE ITEMS THAT NEED TO BE ADDRESSED IN THE SUBSEQUENT FILLABLE FORM BOXES**B. Project Goals and Objectives**

- Statement of need. (*Describe succinctly why this project is needed.*)
- Specific goals and objectives in bullet format. (*Goals should identify the outcomes you want to achieve based on the statement of need. Objectives are the measurable steps needed to accomplish the goals.*)
- Describe how the proposed project responds to the Wood Innovations Funding Opportunity program goals and intent listed in the Instructions.

C. Project Description

- Describe the specific project work activities or tasks that will be carried out to accomplish and meet the goals and objectives listed in Project Goals and Objectives.
- Describe the timeline for project activities. Describe how the budget aligns with these activities (*This should be a brief statement of how you intend to spend money to carry out project activities*).
- Describe how progress will be measured (*Provide measurable outcomes*).
- Describe industry involvement (*Project should have some connection to forest products businesses, manufacturers, distributors, or end users of wood products or wood energy*).
- Describe any subgrant or subcontracting activity.
- Describe communication and outreach activities (*Explain how you will inform others of the experiences, successes, knowledge, etc. of your project so that your work can help grow markets to meet the intent and goals of the Wood Innovations Funding Opportunity program*).

D. Project Impact

- List anticipated project outcomes, deliverables, and desired results (*Outcomes should be specific, measurable, and align with project timeline*).
- Describe anticipated project impacts, including: 1) magnitude of impact on wood products market or wood energy market, 2) benefits to National Forest System and other forest lands, and 3) job creation and retention (*Include assumptions used to determine these impacts*).
- Describe leveraged activities and/or leveraged funds above the minimum required match that maximize proposed project benefits or bringer greater value to the goals of the Wood Innovations Funding Opportunity program (*Explain how you will use other funding or team sources to maximize project impact*).
- Describe how the project will help the Forest Service meet the intent and goals of this grant, including details on how the project will expand wood products and wood energy markets.
- If applicable, explain how the project supports, benefits, or engages communities that are historically underserved, marginalized, and adversely affected by persistent poverty or inequality (*Pursuant to [Executive Order 13985](#), Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*).

E. Qualification of Teams and Partners

- List key personnel qualifications and role(s) in the project. Describe their capabilities, certifications, and experience on related projects that demonstrate your team has the appropriate skill set and experience for success. List any experience and performance of prior funded USDA Forest Service project(s). If appropriate, please include a short resume or vitae in the Appendix.
- Provide a brief background on the history and current operations of your business or organization (e.g. origination date, no. of employees, type of operation, and if applicable volume of wood processed annually)

F. Annual Progress Reports and Final Reports

- Annual Progress Reports are required, at a minimum, on a quarter-year basis. The reports provide an overview of accomplishments of the goals and objectives listed in the approved project narrative, success stories, and documentation of media events or activities generated by the award.
- Describe planned reports, documents, and success stories that will be provided during and at the end of the project for posting on the Wood Innovations website.
- List the contact information for the person(s) responsible for reporting (*reports should be submitted via e-mail as Word documents, preferably in a 508-compliant format*).
- See the Notice of Funding Opportunity and Instructions for additional information on required reports.

G. Budget Tables and Justification in Support of the SF-424A

Please complete the following two budget tables. Written justifications must be provided for both federal and cooperator match. The budget should support the narrative statement and reflect projected costs. Allowable expenses are those that are directly allocable to specific implementation of the proposed project and agreement.

Applicants must contribute at least 100% of the Forest Service requested funds. For every \$1 of Federal funding requested, applicants must provide at least \$1 in match. For example, if the requested Federal amount is \$100,000, the applicant match must be at least \$100,000. The applicant's match must come from non-Federal sources. The match may include cash or in-kind contributions. All matching funds must be directly related to the proposed project.

Applicants must submit letters of support from third-party organizations confirming the amount of cash or in-kind services to be provided, up to the minimum required match. Pledged match needs to occur within the time frame of the agreement.

Note: Applicants should be aware that **the purchase of equipment with Forest Service funds creates a federal interest in the equipment.** The successful applicant will be required to complete additional paperwork before and after receiving Forest Service funds for the purchase and is subject to the regulations at [2 CFR § 200.310](#), [200.313](#), and [200.316](#). These 2 CFR § 200 regulations are available at: [eCFR :: 2 CFR Part 200 -- Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards](#).

The purchase of equipment with cooperator matching funds does not create a federal interest in the equipment.

Projects must provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States pursuant to 2 CFR § 200.322.

Instructions for the Budget Table:

- Lines 1 – 8: Enter the dollar amount for each item.
- Line 4: Only stationary equipment is eligible for Forest Service grant funds.
- Line 9: Sum of 1 – 8.
- Line 10: Costs not directly attributable to accomplishing the project, such as overhead or indirect costs.
- Line 11: Sum of 9 and 10.
- Line 12: Use the total in Line 11, Column III to determine the percentage of each share.

Budget Justification

On the following pages, please provide specific details on how USDA Forest Service and Cooperator match funding will be used for each of the budget categories identified in the previous two budget tables.

Category 1. Personnel: This is the actual estimated salary cost paid and does not include fringe benefits. Show job titles or positions, estimated days or hours, and the estimated cost per day or hour. Clearly delineate if the personnel costs listed below are being used as in-kind match or if the personnel costs are part of the requested federal financial assistance. Cost must align with regulations listed in [2 CFR § 200.430](#) . (This field is limited to 4,700 characters with spaces)

Category 2. Fringe Benefits: Fringe benefits are generally expressed as a percentage of salary cost. Provide the rate and total estimated cost or in-kind contribution. *(This field is limited to 1,625 characters with spaces)*

Category 3. Travel: Show anticipated trips, number of travelers, locations, and an estimated cost per trip. Clearly delineate if the travel is being requested as part of the federal financial assistance or if travel is being used as in-kind match. *(This field is limited to 1,625 characters with spaces)*

Category 4. Equipment: Identify all equipment that is being funded with federal financial assistance and which equipment will be used as in-kind match. When possible, provide documentation of equipment cost or quotes as an appendix item. The USDA Forest Service can only fund stationary equipment. Mobile equipment will not be funded with USDA Forest Service funds. *(This field is limited to 5,000 characters with spaces)*

Category 5. Supplies/Materials: Identify all materials and supplies that is being funded with federal financial assistance and which items will be used as in-kind match. When possible, provide documentation of cost estimates or quotes as an appendix item. (*This field is limited to 5,000 characters with spaces*)

Category 6. Contractual: Identify contractual costs that is being funded with federal financial assistance and which items will be used as in-kind match. When possible, provide documentation of cost estimates or quotes as an appendix item. (*This field is limited to 5,000 characters with spaces*)

Category 8. Other: Identify other project costs, that do not fit in the previous categories, that are being funded with federal financial assistance and which items will be used as in-kind match. When possible provide documentation of cost estimates or quotes as an appendix item. Note: Federal funds cannot be used for construction activities and construction activities cannot be used as in-kind match. In addition, federal funds cannot be used for activities that improve land as defined in [26 CFR § 1.856-10 Definition of real property](#). (This field is limited to 4,000 characters with spaces)

H. Appendices

Appendices should be well organized with an index so reviewers can readily find information of interest. Include only relevant information in the Appendices that will help the review panel understand and evaluate your project. Letters of support should be included as the first Appendix. Below are required items that must be included in the Appendices as well as examples of optional information to include the Appendices.

Required Information for Appendices:

- Letters of support from partners, individuals, or organizations, especially those playing a key role or providing matching funds, including Forest Service units if National Forest System lands will directly benefit from the project. Letters of support should display the degree of collaboration occurring between the different entities engaged in the project. **Applicants must submit letters of support from third-party organizations confirming the amount of cash or in-kind services to be provided.**
- List of all other funds (*Federal, State, Private*) received for this project and closely related projects within the last 5 years (*include agency, program name, and dollar amount*).
- Provide screen shot from [SAM.gov](https://sam.gov) showing either an active registration or that the registration process has been initiated in [SAM.gov](https://sam.gov).
- Short resume or vitae for team members.
- Documentation and/or cost quotes of equipment requested to be funded if applicable.

Optional Information for Appendices:

- Feasibility assessments.
- Woody biomass resource supply assessment (*recommended for larger wood energy proposals*).
- Quotes for professional engineering services and rationale for selection of contractor, if already selected.
- Miscellaneous items, such as schematics, engineering designs, or executive summaries of reports.
- Include 1 – 3 photos that best tell the story of your project. Please include a caption for each photo that explains what is shown or happening in the photo. Only include photos that can be used for press releases, public websites, or mass communications if awarded. *Optional at time of proposal submission but required if proposal is selected for award.*

Part 2. Required Financial Forms

The following forms need to be completed and submitted with your proposal. Forms a — f below are located at the [Grants.gov website](https://www.grants.gov). Search the “Form Name” column for the appropriate form.
