If the amount computed in 2. is negative, show it as a remittance of earnings (13 A and 13 C) to the extent that there is quarterly net income; show the residual, if any, as a decrease in equity 22 B. 17 and 19 should be blank.

U.S. person means any person resident in the United States or subject to the jurisdiction of the United States.

U.S. Reporter means the U.S. person that has direct investment in a foreign business enterprise, including a branch. If the U.S. person is an incorporated business enterprise, the U.S. Reporter is the fully consolidated U.S. domestic enterprise, which is defined as: (1) the U.S. corporation whose voting securities are not owned more than 50 percent by another U.S. corporation, and (2) proceeding down each ownership chain from that U.S. corporation, any U.S. corporation whose voting securities are more than 50 percent owned by the U.S. corporation above it. This consolidation excludes foreign branches and all other foreign affiliates.

Survey Information

Purpose – Reports on this form are required in order to provide reliable and up-to-date information on U.S. direct investment abroad for inclusion in the U.S. international transactions and the national income and product accounts.

Authority – This survey is being conducted under the International Investment and Trade in Services Survey Act (P.L. 94-472, 90 Stat. 2059, 22 U.S.C. 3101-3108 as amended) – hereinafter “the Act”, and the filing of reports is mandatory under Section 5(b) (2) of the Act (22 U.S.C. 3104). All persons contacted by BEA in writing must respond pursuant to section 801.3 of 15 C.F.R. pt. 801 and the survey instructions.

Penalties – Whoever fails to report may be subject to a civil penalty of not less than \$4,527, and not more than \$45,268, or to injunctive relief commanding such person to comply, or both. Whoever willfully fails to report shall be fined not more than \$10,000 or, if an individual, may be imprisoned for not more than one year, or both. Any officer, director, employee, or agent of any corporation who knowingly participates in such violation, upon conviction, may be punished by a like fine, imprisonment, or both. (22 U.S.C. 3105.) Civil penalties are subject to inflationary adjustments. Those adjustments are found in 15 CFR 6.4.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.

Respondent Burden – Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Director, Bureau of Economic Analysis (BE-1), U.S. Department of Commerce, 4600 Silver Hill Road, Washington, DC 20233; and to the Office of Management and Budget, Paperwork Reduction Project 0608-0004, Washington, DC 20503.

Confidentiality – The Act provides that your report is CONFIDENTIAL and may be used only for analytical or statistical purposes. Without your prior written permission, the information filed in your report CANNOT be presented in a manner that allows it to be individually identified. Your report CANNOT be used for purposes of taxation, investigation, or regulation. Copies retained in your files are immune from legal process. Per the Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through security monitoring of the BEA information systems.

Accounting methods and records – Follow generally accepted U.S. accounting principles unless otherwise specified in the instructions. Corporations should generally use the same methods and records used to generate reports to stockholders, except where otherwise instructed. Generate reports for unincorporated persons on an equivalent basis. Financial Accounting Standards Board Accounting Standards Codification Topics are referred to as “FASB ASC” in the instructions.

Retention of copies – Retain a copy of filed reports for 3 years beyond the report’s original due date.

Retroactive reports – Quarterly reports for a year may be required retroactively when it is determined that the exemption level has been exceeded. If a foreign affiliate’s total assets, sales, or net income (loss) exceed the exemption level in a given year, it is deemed that the exemption level will also be exceeded in the following year. A U.S. Reporter claiming exemption from filing a given report must complete the Claim for Exemption, giving the levels of total assets, sales, and net income (loss).
