STEP 3. REVIEW ALL QUESTIONS BELOW AND SELECT THE APPROPRIATE RADIO BUTTON. At least one answer must be "Yes" or your response will be **blank**.

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no other information, or authorizing the examining attorney to make any necessary changes to the application *without specifying the exact changes*, is not a proper response to the Office action (except if the *only* issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration language).

1. Do you need to respond to a refusal to register your mark, including (but not limited to) a possible finding that your mark appears to be:

- likely to cause confusion with another mark(s)
- merely descriptive (or generic) or deceptively misdescriptive
- primarily merely a surname
- geographically descriptive or geographically deceptively misdescriptive
- deceptive
- functional
- multiple marks instead of a single mark
- a protected symbol (e.g., a flag, the Red Cross)
- used in a manner that would not be perceived as actually being a trademark/servicemark*

You must answer "Yes" to this question to [submit your arguments against the refusal](#), and if necessary, attach [supporting evidence](#), to attempt to convince the examining attorney to withdraw the refusal.

*NOTE: To submit a "substitute specimen" to overcome a refusal, also answer "Yes" to #2.

Yes No

2. Do you need to do any of the following:

- [change/delete an existing class number](#)*
- [modify the identification of goods/services/the nature of the collective membership organization](#) **
- [change filing basis](#)
- [add/modify dates of use](#)
- [submit a new or substitute specimen](#)
- [submit a foreign registration certificate or proof of renewal of the foreign registration](#)

*NOTE: To ADD a new class, answer "Yes" to #6, and to pay fee(s) for additional class(es), answer "Yes" to #7.

NOTE: You may only modify the identification of goods/services/the nature of the collective membership organization to clarify or limit the goods/services/the nature of the collective membership organization; adding to or broadening the scope of the goods/services/nature of the collective membership organization is **not permitted.

Yes No

3. Do you need to add or delete (withdraw) any of the following:

NOTE: ALL of the below will display within the "Additional Statement(s)" section of the form, *even when only one is appropriate and should be selected.*

- Disclaimer
- Colors claimed as feature of the mark
- Description of the mark (including nature and location of color(s), if appropriate)*
- Stippling statement
- Claim of prior registration(s)
- Translation/Transliteration
- Meaning and/or significance of wording, letter(s), and/or numeral(s) in the mark
- Section 2(f) claim
- Consent to register name(s), likeness(es), signature(s) of individual(s)
- Supplemental Register amendment
- Concurrent use claim
- Miscellaneous statement**

*NOTE: Do **not** use this section if you are also answering "Yes" to Question #4, *below*, which will then provide this field. Use this **only** if adding or modifying an existing description *but not attaching a new mark image*.

NOTE: The miscellaneous statement field includes the ability to attach a file, for example, to provide requested product literature. Do **not use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #2, *above*. This field may also be used to request **DELETION (WITHDRAWAL)** of an additional statement currently of record, for example, a disclaimer (see specific instructions within form).

Yes No

4. Do you need to submit a new drawing of the mark, either to [change the mark](#) itself or [submit a better quality image](#)?

NOTE: A material change to your mark is never permissible. Only minor changes in the mark are *sometimes* permitted. A drawing must be in JPG format.

Yes No

5. Do you need to correct or change the [owner's/holder's name or entity information](#) or update the owner's/holder's street address, email address, phone or fax number(s)?

The email address of the trademark owner/holder is the **Primary Email Address for Correspondence** if an attorney is NOT appointed. **Secondary Email Address(es)** for courtesy copies can be provided.

Yes No

6. Do you need to [ADD a new class\(es\) of goods/services/a collective membership organization](#) ?

NOTE: You may **not** add class(es)/goods/services, or any descriptive language to an identification to broaden the scope of the current identification of the goods/services/collective membership organization.

NOTE: To pay the fee(s) for adding class(es), answer "Yes" to #7. To change an existing classification number or delete goods/services/a collective membership organization, answer "Yes" to #2.

Yes No

If the answer is Yes, enter the number of classes:

7. Do you need to submit a fee for: (1) an existing or additional class of goods/services/a collective membership organization; (2) [failing to satisfy the requirements of TEAS Plus](#); and/or (3) processing a payment that has been [refused or charged back](#)?

Yes No

8. Is a [newly appearing U.S.-licensed attorney](#) filing this form or do you need to update the bar information, email address, street address, phone or fax number for an already appointed attorney?

Foreign-domiciled owners /holders must have a U.S.-licensed attorney represent them before the USPTO in any application-or registration-related filing. Information about hiring a U.S.-licensed attorney can be found on the USPTO website.

Yes No

9. Do you need to submit a [Signed Declaration](#) to verify an application?

NOTE: Answer "Yes" to this question if the application was unsigned, improperly signed, or lacked the required declaration language.

Yes No

STEP 4: ACCESS ACTUAL RESPONSE FORM.

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION

Amending the Original Class(es) in the Application

Enter information for the Original Class

Check here to delete the following class of goods/services/collective membership organization from your application. If checked, it is not necessary to modify the current class below.

Check here to modify the current classification number; listing of goods/services/the nature of the collective membership organization; dates of use; and/or filing basis; or to submit a substitute specimen, a foreign registration certificate, or proof of renewal of a foreign registration. If not checked, the changes will be ignored.

Original International Class :

*International Class: (Enter class number 001- 045, A, B and 200)

*Listing of Goods/Services/Collective Membership Organization

[NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may create links in the listing of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the goods/services, see the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma.

WARNING: Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify, limit, or remove goods/services/the collective membership organization, you may NOT at this point ADD or BROADEN goods or services or otherwise amend the goods/services/nature of the collective membership organization beyond the scope of that in the current identification. A new filing would be required to cover any new goods/services/or broadening the nature of the collective membership organization not within the scope of the current identification.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with all goods/services included in an application, or the lack of use on all goods/services for which use is claimed, could jeopardize the validity of the resulting registration.

Filing Basis Section 1(a), Use in Commerce: *For all applications:* The mark is in use in commerce and was in use in commerce as of the application filing date. The provided specimen shows the mark in use in commerce (see specimen statement below). *For a collective trademark, collective service mark, collective membership mark, or certification mark application:* The applicant is exercising legitimate control over the use of the mark in commerce and was exercising legitimate control over the use of the mark in commerce as of the application filing date. *For a certification mark application:* The applicant is not engaged in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant. **WARNING: If you filed your original application under Section 1(b), Intent to Use, do not use this form to submit dates of use and a specimen, unless responding to a specimen issue created by an already filed Allegation of Use. Otherwise, you must file the specific Allegation of Use form (Statement of Use/Amendment to Allege Use). Filing an Allegation of Use is not a proper response to an Office action.**

Specimen File

Watch the TMIN [video explaining what is meant by the term "specimen"](#). Visit the USPTO's website for [information on acceptable file sizes and formats](#).

Instructions: Attach ONLY the specimen here, not the entire response to Office action. Each portion of this form serves a specific purpose for data processing reasons. Failure to follow this instruction will cause significant delays in the processing and review of your filing.

Check this box if you are [mailing a non-traditional specimen](#) using USPS because it meets the qualifications explained in the hyperlink. Sound and motion specimens are not non-traditional and MUST be submitted using this form. Failure to submit a required specimen through TEAS may result in processing delays and additional fees.

[Describe what the submitted specimen consists of:](#)

* CHECK THIS BOX IF SPECIMENS ARE NOW BEING SUBMITTED OR WERE PREVIOUSLY SUBMITTED UNVERIFIED IN THE INITIAL APPLICATION.

Checking this box will automatically add the following declaration language to the form:

"The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce at least as early as the filing date of the application" [for an application based on Section 1(a), Use in Commerce] OR "The substitute (or new, or originally submitted, if appropriate) specimen(s)

was/were in use in commerce prior either to the filing of the Amendment to Allege Use or expiration of the filing deadline for filing a Statement of Use" [for an application based on Section 1(b) Intent-to-Use]. OR "The attached specimen is a true copy of the specimen that was originally submitted with the application, amendment to allege use, or statement of use" [for an illegible specimen]. The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his or her own knowledge are true and all statements made on information and belief are believed to be true.

Filing Basis Section 1(b), Intent to Use: For a trademark or service mark application: The applicant believes the applicant is entitled to use the mark in commerce on or in connection with the goods or services specified in the application; the applicant has a bona fide intention to use the mark in commerce and had a bona fide intention to use the mark in commerce as of the application filing date. For a collective trademark, collective service mark, collective membership mark, or certification mark application: The applicant has a bona fide intention, and is entitled, to exercise legitimate control over the use of the mark in commerce and had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce as of the application filing date. For a certification mark application: The applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.
WARNING: Do NOT check the box to add a Section 1(b) filing basis if your goods/services/collective membership organization for this class is/are already based on Section 1(a), use in commerce. Filing under Use and Intent to Use is not permitted for the same goods/services/collective membership organization.
Additional Filings: Fee(s) will be required to file either the [Statement of Use form or Extension Request](#), prior to registration, after you begin the required use of the mark in commerce.

Mark Update

Note: While minor changes in the mark are *sometimes* permitted, any [material alteration](#) will NOT be permitted and will result in a refusal being issued on that ground.

If you have read and understood the above notice, you must check this box before you enter the proposed amended mark.

* Click the appropriate circle to indicate the Mark type: [Standard Characters](#) [Special Form \(Stylized and/or Design\)](#) [Sound Mark](#)

Use this section if you wish to modify a word(s), letter(s), punctuation, and/or number(s) with **no** design element **and** without claim to any particular font style, size or color.

Add/Modify the [Standard Characters](#) mark here: (Note: The entry can be in capital letters, lower case letters, or a combination thereof.)

Preview USPTO-Generated Image

NOTE: After previewing the USPTO-generated image, if you object to the display of the mark, then you must use "**Special Form (Stylized and/or Design)**" option. Therein, you could attach your own image file and check a box to claim standard characters. However, the appropriateness of the standard character claim would later be determined as part of the examination of the application. For how the USPTO determines what the display of the entered mark will be, click [here](#).
