

Appendix B. Notification Email for Public Health Infrastructure Grant Recipient Targeted Evaluation Plans & Upcoming Webinars

Greetings PHIG Recipients,

We are sharing the guidance and template for the Public Health Infrastructure Grant (PHIG) Recipient Evaluation Plans, referred to as the Targeted Evaluation Projects (TEPs). The TEP Progress Report, and Completion Report are also included in the same workbook. Data should be uploaded in GrantSolutions by **August 1st, 2024** for the TEP Progress Report and **60 days after the completion of the TEP** for the TEP Completion Form.

Additionally, National Network of Public Health Institutes (NNPHI) and Health Resources in Action (HRiA), will hold a series of office hours designed to provide guidance and information on how to access support for and report progress on your evaluation plan. Recipients are encouraged to reach out via PHIVE for assistance at any stage of the process. Upcoming office hour information is below:
