Full Detail Spec

BOX 10 **(IN1001)** **Item Type:** Route **Type Class:** If Then

Route Details: The IN section is asked if the current round crosses two calendar years or if the current round is the final round of the panel (RndType=Cross or Final). Otherwise, continue to the next section.

Tester Notes: CAPI routes to the Income Section in all rounds of a Spring cycle, except Round 1. In Round 1 or during a Fall cycle, CAPI skips the Income Section.

BOX 20 **(IN1005)** **Item Type:** Route **Type Class:** If Then

Route Details: **Context header display instructions:**

IN10 **(IN1010)** **BLAISE NAME:** FinanceIntro
Item Type: Instruction **Field kind:** Datafield
Type Class: Enumerated
Answer Type: TContinue **Answers allowed:** 1

Help Available () Show Card () Look Up File ()

Question Text:

For the next questions, it might be useful to have out some of the family's financial records, such as a copy of the family's tax forms or materials used to complete the tax form, such as year end bank statements, financial summaries, pay stubs, W-2 forms, and the like.

PRESS 1 AND ENTER TO CONTINUE.

Responses: CONTINUE 1 LOOP_10 (IN1015)

Programmer Instructions: Note: for all dollar amount range checks, allow the entry of whole dollars amounts only; do not collect cents.

Display Instructions:

Testing/Editing Notes: Variable collected at MEPS(Fall/Spring)YYYY.IN_Main
Variable stored at MEPS(Fall/Spring)YYYY.IN_Main

LOOP_10 **(IN1015)** **Item Type:** Route **Type Class:** Begin Loop

Route Details: For each element in the RU-members-roster, ask BOX_30 - END_LP10.

Loop definition: LOOP_10 determines which RU members have filed or will file a federal income tax form for the calendar year. If a joint return was or will be filed, the loop determines who is the secondary filer. This loop cycles on persons who meet the following condition:

- Person is a current RU member (includes deceased and institutionalized RU members).

CAPI sets a value to determine who the respondent is for the IN section. Those fields are INRespondent and INRespondentPersID.

If INRespondent=empty, then set INRespondent=ST.Respondent
If INRespondentPersID=empty then set INRespondentPersID=RespondentPersID

These values are set when Loop_10 is started and cannot be re-set once the loop is started. Even if the household respondent changes.

BOX_30 **(IN1025)** **Item Type:** Route **Type Class:** If Then

Route Details: If person being looped on is a 'SECONDARY FILER ON JOINT FEDERAL TAX RETURN' [person has Pers.PrimaryFilerPID set with a value], go to END_LP10.

Otherwise, continue with IN20.

	REFUSED	RF	END_LP10	(IN1095)
	DON'T KNOW	DK	END_LP10	(IN1095)

Display Instructions:

Display 'Did' if IN20 is coded '1' (YES). Display 'Will' if IN30 is coded '1' (YES).

Beginning in Spring 2020 (P24R3 and P23R5) and all later panel/rounds, CAPI will automatically set IN60 to code '1' (LONG FORM 1040) without presenting IN60 to the interviewer.

Testing/Editing Notes:

Variable collected at MEPS(Fall/Spring)YYYY.IN_Main.IN_Loop_10[1..25]
 Variable stored at MEPS(Fall/Spring)YYYY.IN_Main.IN_Loop_10[1..25]

END_LP10	(IN1095)	Item Type: Route	Type Class: End Loop
-----------------	-----------------	-------------------------	-----------------------------

Route Details:

Cycle on next person on the RU-MEMBERS-ROSTER who meets the conditions stated in the loop definition.

If no other persons meet the stated conditions, end LOOP_10 and continue with LOOP_20.

LOOP_20 **(IN1105)** **Item Type:** Route **Type Class:** Begin Loop

Route Details: For each element in the RU-MEMBERS-ROSTER, ask BOX_40 - END_LP20.

Loop definition: LOOP_20 collects information on taxable income for each RU member who is 16 years of age or older or has filed or will file a federal tax return for this calendar year. This loop cycles on each person on the RU-MEMBERS-ROSTER who meets the following condition:

- Person is a current RU member (includes deceased and institutionalized RU members).

General Display Instructions for Loop_20:

For 'NAME OF SECONDARY FILER', display the person's name selected at IN50 during LOOP_10 for the primary filer currently being asked about. If the secondary filer is outside of the RU (IN50=99), display the secondary filer's name as 'PERSON NOT IN RU'. This person will have Pers.PrimaryFilerPID set with the PID of the person being looped on. If IN50 was not asked in LOOP_10 for this person, use a null display.

BOX_40 **(IN1115)** **Item Type:** Route **Type Class:** If Then

Route Details: If person being looped on is the 'PRIMARY FILER ON FEDERAL TAX RETURN' [IN40 ≠ EMPTY], go to IN90.

If person being looped on is a 'SECONDARY FILER ON A JOINT FEDERAL TAX RETURN' [person has a value set for Pers.PrimaryFilerPID], go to END_LP20.

Otherwise (i.e., person is not either the 'PRIMARY FILER ON FEDERAL TAX RETURN' or the 'SECONDARY FILER ON A JOINT FEDERAL TAX RETURN', that is, IN30 is coded '2' (NO), 'RF' (REFUSED) or 'DK' (DON'T KNOW) for this person), continue with BOX_50.

Full Detail Spec

BOX 50**(IN1120)****Item Type:** Route**Type Class:** If Then

Route Details:

If person being looped on is 16 years of age or older (or in age categories 4-9), continue with IN90.

Otherwise (i.e., person is less than 16 years of age (or in age categories 1-3) and IN30 is coded '2' (NO), 'RF' (REFUSED), or 'DK' (DON'T KNOW)), go to END_LP20.

Note: The purpose of BOX_40 and BOX_50 is to skip out persons already identified as secondary filers and persons younger than 16 years of age who have not already reported that they have filed or will file a federal income tax return.

Note: Prior to Spring 2020, persons reporting that they have filed or will file a 1040A short form (IN60=2) or a 1040EZ form (IN60=3) receive the wages, interest, dividends, IRA, pensions, unemployment, and social security taxable income items.

Prior to Spring 2020, persons reporting that they have filed or will file a 1040 long form, other type of form, or refused or don't know the type of form (IN60=1, 91, RF, DK) receive all the taxable income questions.

Beginning in Spring 2020, all persons (and all tax filing units) receive all taxable income questions, including those persons reporting that they have not filed and will not file any federal tax return (IN30=2, RF, DK) and are 16 years of age or older.

Context Header: {PERSON'S FIRST MIDDLE AND LAST NAME} {NAME OF SECONDARY FILER}

Question Text:

{People can get money from many different sources, such as wages and salaries, social security, and interest on savings. The next few questions ask about different sources of income that {you/{PERSON}} {and {you/{NAME OF SECONDARY FILER}}} received in {YEAR}. It would be useful to have out any year-end paystubs, W-2 forms, or other tax forms that you may have.}

{Now let's talk about {you/{PERSON}} {and {you/{NAME OF SECONDARY FILER}}}.

During {YEAR}, how much money did {you/you both/they/{he/she}}/{and {NAME OF SECONDARY FILER}} receive from wages or salary, tips, commissions, or bonuses?

ENTER AMOUNT

HELP: F1

Responses:

.....	1	BOX_60	(IN1130)
REFUSED	RF	IN130
DON'T KNOW	DK	IN100

**Programmer
Instructions:**

Pre-fill cents digits with '00' so that field accepts whole dollar amount only.

Soft check: If amount entered is > or = to 300,000, display the following message: "VALUE IS HIGHER THAN USUAL. VERIFY AND CORRECT IF NEEDED."

**Display
Instructions:**

Display 'People get money from many different sources, such as wages and salaries, social security, and interest on savings. The next few questions ask about different sources of income that {you/PERSON}} {and {you/{NAME OF SECONDARY FILER}}}} received in {YEAR}. It would be useful to have out any year-end paystubs, W-2 forms, or other tax forms that you may have.' If first cycle through LOOP_20. Otherwise, use null display.

Display 'Now let's talk about {you/PERSON}} {and {you/NAME OF SECONDARY FILER}}}' if not first cycle through LOOP_20.

If first cycle through LOOP_20, use a null display.

Display '{and {you/{NAME OF SECONDARY FILER}}}' if IN40 is coded '2' (MARRIED FILING JOINT RETURN). Otherwise, use a null display.

Display 'you' if the secondary filer selected at IN50 is selected as the respondent. Otherwise, Display '{NAME OF SECONDARY FILER}' substituting the person's name selected at IN50.

Display 'you' if person being looped on as the primary filer is the respondent. Display '{and {NAME OF SECONDARY FILER}' substituting the person's name selected at IN50 if IN40 is coded '2' (MARRIED FILING JOINT RETURN). Otherwise, use a null display.

Display 'you both' if IN40 is coded '2' (MARRIED FILING JOINT RETURN) and person being looped on is not the respondent and the secondary filer is the respondent. Use a null display for '{and {NAME OF SECONDARY FILER}'.

Display 'they' if IN40 is coded '2' (MARRIED FILING JOINT RETURN) and person being looped on is not the respondent. Use a null display for '{and {NAME OF SECONDARY FILER}'.

Display '{he/she}' using the person being looped on to determine pronoun substitution if IN40 <>2 (MARRIED FILING JOINT RETURN). Use a null display for '{and {NAME OF SECONDARY FILER}'.

(For specifications purposes only; CAPI handles automatically:) If round 3, display first calendar year of panel for {YEAR} (FirstPanYear). If round 5, display second calendar year of panel for {YEAR} (SecondPanYear). If round 7, display third calendar year of panel for {YEAR} (ThirdPanYear). If round 9, display fourth calendar year of panel for {YEAR} (FourthPanYear).

Display IN90, IN100, IN110 and IN120 on the same form pane.

Answer Type: {Continuous Answer.} **Answers allowed:** 1 **ArrayMax:** **Max value:** 999999

Help Available () Show Card () Look Up File ()

Context Header: {PERSON'S FIRST MIDDLE AND LAST NAME} {NAME OF SECONDARY FILER}

Question Text:

{Of the {AMOUNT ENTERED AT IN90}, how/How} much money did {you/{PRIMARY FILER}} receive from wages or salary, tips, commissions, or bonuses?

ENTER AMOUNT

Responses: 1 IN130 (IN1145)
REFUSED RF IN130 (IN1145)
DON'T KNOW DK IN120 (IN1140)

**Programmer
Instructions:**

Hard Check:

1. If a dollar amount is entered at both IN90 and IN110, then the amount entered at IN110 must be less than or equal to the amount entered at IN90 (i.e., $IN110 \leq IN90$). If the amount entered at IN110 is greater than the amount entered at IN90, display the following message: "AMOUNT ENTERED AT IN110 (AmtWageFiler) MUST BE LESS THAN OR EQUAL TO TOTAL WAGE AMOUNT ENTERED AT IN90 (AmtWage). VERIFY AND RE-ENTER."

Soft Check:

1. If a range amount is entered at IN100 and a dollar amount is entered at IN110, the amount entered at IN110 must be less than or equal to the upper limit of the range amount selected at IN100. (For example, if IN100 is coded '5' (25,001-50,000), then the amount entered at IN110 should be less than or equal to 50,000). If the amount entered at IN110 is greater than upper limit of the range amount selected at IN110 (excluding RF and DK values), display the following message: "VALUE ENTERED IS HIGHER THAN EXPECTED. AMOUNT ENTERED AT IN110 (AmtWageFiler) IS GREATER THAN RANGE SELECTED AT IN100 (AmtWageRng). Verify and correct if needed."

If the INRespondent = Secondary Tax Filer of the tax filing unit being looped on (INRespondentPersID <> PrimaryFilerPersID for this loop), set WageSplit=Secondary Filer for this tax filing unit.

Placeholder for MHOP processing:

If WageSplit=Secondary Filer, then the amount entered at AmtWageFiler must be recalculated to represent the amount earned by the primary filer.

**Display
Instructions:**

Display IN90, IN100, IN110 and IN120 on the same form pane.

Display "Of the {AMOUNT ENTERED AT IN90}, how" if an amount is entered at IN90. Display "How" if IN90 is coded 'RF' (REFUSED) or 'DK' (DON'T KNOW).

For "AMOUNT ENTERED AT IN90", display the entry made at IN90 as "\$xxxxxx.00".

Display "you" if the current respondent is listed as either the Primary or Secondary Tax filer in this tax filing unit. Otherwise (current respondent is not listed as part of this unit), display "{PRIMARY FILER}" substituting the full name of the primary filer in this tax filing unit.

**Testing/Editing
Notes:**

Variable collected at MEPS(Fall/Spring)YYYY.IN_Main.IN_Loop_20[1..25]
Variable stored at MEPS(Fall/Spring)YYYY.IN_Main.IN_Loop_20[1..25]

1. If a range is entered at both IN100 and IN120, then range entered at IN120 must be less than or equal to the range selected at IN100. (Do not invoke this check if either IN100 or IN120 has a RF or DK value). If the range selected at IN120 is greater than the range selected at IN100, display the following message: "RANGE SELECTED AT IN120 (AmtWageRngFiler) MUST BE LESS THAN OR EQUAL TO TOTAL WAGE RANGE SELECTED AT IN100 (AmtWageRng). VERIFY AND RE-ENTER."

Soft Check:

1. If a dollar amount was entered at IN90 and a range was selected at IN120, the lower limit of the range at IN120 should be less than or equal to the amount entered at IN90. (For example, if IN90 =30,000 the range selected at IN120 can be any category with a lower limit that is less than or equal to 30,000 – which would be categories 1-5.) If the range selected at IN120 (excluding RF and DK values) has a lower limit that is greater than amount entered at IN90, display the following message: "RANGE SELECTED IS HIGHER THAN EXPECTED. RANGE SELECTED AT IN120 (AmtWageRngFiler) IS GREATER THAN AMOUNT ENTERED AT IN90 (AmtWage). VERIFY AND CORRECT IF NEEDED."

If the INRespondent = Secondary Tax Filer of the tax filing unit being looped on (INRespondentPersID <>PrimaryFilerPersID for this loop), set WageSplit=Secondary Filer for this tax filing unit .

Placeholder for MHOP processing:

If WageSplit=Secondary Filer, then the amount entered at AmtWageRngFiler must be recalculated to represent the amount earned by the primary filer. Rules may need to be implemented when ranges are entered at IN100 and IN120 in order to properly determine what the amount received by the primary filer should be.

**Display
Instructions:**

(For specifications purposes only; CAPI handles automatically:) If round 3, display first calendar year of panel for {YEAR} (FirstPanYear). If round 5, display second calendar year of panel for {YEAR} (SecondPanYear). If round 7, display third calendar year of panel for {YEAR} (ThirdPanYear). If round 9, display fourth calendar year of panel for {YEAR} (FourthPanYear).

Display "you" if the current respondent is listed as either the Primary or Secondary Tax filer in this tax filing unit. Otherwise (current respondent is not listed as part of this unit), display "{PRIMARY FILER}" substituting the full name of the primary filer in this tax filing unit.

Display IN90, IN100, IN110 and IN120 on the same form pane.

Question Text:

 IN-4.

From which of the sources on card IN-4 did anyone in the household receive income [that we have not yet talked about]?

ENTER ALL THAT APPLY.

HELP: F1

Responses:

WAGES AND SALARY	1	BOX_140	(IN1620)
FARM INCOME (OR LOSS)	2	BOX_140	(IN1620)
BUSINESS INCOME (OR LOSS)	3	BOX_140	(IN1620)
SOCIAL SECURITY/RAILROAD RETIREMENT	4	BOX_140	(IN1620)
PRIVATE, MILITARY, OR GOVERNMENT PENSIONS	5	BOX_140	(IN1620)
INTEREST	6	BOX_140	(IN1620)
DIVIDENDS	7	BOX_140	(IN1620)
RENTAL INCOME (OR LOSS)	8	BOX_140	(IN1620)
OTHER SOURCE	91	IN740OS	(IN1610)
REFUSED	RF	BOX_140	(IN1620)
DON'T KNOW	DK	BOX_140	(IN1620)

Programmer Instructions: If coded '91' (OTHER SOURCE), alone or in combination with any other code, continue with IN740OS.
 Otherwise, go to LOOP_90.

Display Instructions: Display IN740 and IN740OS on the same form pane.

Question Text:

Who received income from {CATEGORY SELECTED AT IN740} in {YEAR}?

PROBE: Anyone else receive income from {CATEGORY SELECTED AT IN740} in {YEAR}?

ENTER ALL THAT APPLY.

- Responses:**
- {FIRST NAME [MIDDLE NAME] LAST NAME}1 1 IN760 (IN1630)
 - {FIRST NAME [MIDDLE NAME] LAST NAME}2 2 IN760 (IN1630)
 - {FIRST NAME [MIDDLE NAME] LAST NAME}3 3 IN760 (IN1630)
 - {FIRST NAME [MIDDLE NAME] LAST NAME}4 4 IN760 (IN1630)
 - {FIRST NAME [MIDDLE NAME] LAST NAME}N 5 IN760 (IN1630)

Programmer Instructions: Roster behavior:
1. Multiple select allowed.

Display Instructions: Roster 2 – no add/edit/delete. Roster definition:
This item displays RU-MEMBERS-ROSTER for selection. Display RU member's first, middle, and last name (Person.FullName)

Roster filter:
Display all RU members who meet the following condition:

- Person is a current RU member (includes deceased and institutionalized RU members)

For 'CATEGORY SELECTED AT IN740', display the response category name selected at IN740 during the current loop.

If '91' (OTHER) was selected at IN740, display 'OTHER: {SPECIFY}' for '{CATEGORY SELECTED AT IN740}', where 'SPECIFY' is the text that was entered at IN740OS. If IN740OS is coded RF or DK, display 'OTHER: {REFUSED/DON'T KNOW}'.

If 'RF' (REFUSED) was selected at IN740, display "REFUSED INCOME SOURCE" for '{CATEGORY SELECTED AT IN740}'.

If 'DK' (DON'T KNOW) was selected at IN740, display "DON'T KNOW INCOME SOURCE" for '{CATEGORY SELECTED AT IN740}'.

(For specifications purposes only; CAPI handles automatically:) If round 3, display first calendar year of panel for {YEAR} (FirstPanYear). If round 5, display second calendar year of panel for {YEAR} (SecondPanYear). If round 7, display third calendar year of panel for {YEAR} (ThirdPanYear). If round 9, display fourth calendar year of panel for {YEAR} (FourthPanYear).

Question Text:

What is the total amount received from {CATEGORY SELECTED AT IN740}, in {YEAR}, for {all of the people just mentioned/ {you/{PERSON}}}?

ENTER AMOUNT

Responses:

.....	1	BOX_150	(IN1635)
REFUSED	RF	END_LP90	(IN1665)
DON'T KNOW	DK	IN780	(IN1645)

Programmer Instructions: Pre-fill cents digits with '00' so that field accepts whole dollar amount only.

Soft check: If amount entered is > to 100,000, display the following message: "VALUE IS HIGHER THAN USUAL. VERIFY AND CORRECT IF NEEDED."

Display Instructions: For 'CATEGORY SELECTED AT IN740', display the response category name selected at IN740 during the current loop.

If '91' (OTHER) was selected at IN740, display 'OTHER: {SPECIFY}' for '{CATEGORY SELECTED AT IN740}', where 'SPECIFY' is the text that was entered at IN740OS. If IN740OS is coded RF or DK, display 'OTHER: {REFUSED/DON'T KNOW}.'

If 'RF' (REFUSED) was selected at IN740, display "REFUSED INCOME SOURCE" for '{CATEGORY SELECTED AT IN740}'.

If 'DK' (DON'T KNOW) was selected at IN740, display "DON'T KNOW INCOME SOURCE" for '{CATEGORY SELECTED AT IN740}'.

Display 'all of the people just mentioned' if more than one person was selected at IN750. Otherwise (i.e.if only one person was selected), display 'you' if the respondent was selected or display 'PERSON' 's name selected at IN750.

(For specifications purposes only; CAPI handles automatically:) If round 3, display first calendar year of panel for {YEAR} (FirstPanYear). If round 5, display second calendar year of panel for {YEAR} (SecondPanYear). If round 7, display third calendar year of panel for {YEAR} (ThirdPanYear). If round 9, display fourth calendar year of panel for {YEAR} (FourthPanYear).

Display IN760 and IN770 on the same form pane.
