REQUEST FOR CERTIFICATION IN THE MEDICARE AND/OR MEDICAID PROGRAM
TO PROVIDE OUTPATIENT PHYSICAL THERAPY (OPT) AND/OR SPEECH PATHOLOGY SERVICES (OSP)- INITIAL
AND EXTENSION SITE REQUESTS
(CMS-381)

CROSSWALK OF UPDATES

CMS 381 New Form Section	From which Original Form	Updates Made	Notes- Justification
Part I- A	CMS-1856	• Added selection if the OPT is requesting deemed status • Added name of Accrediting Organization • Remaining information is the same as on the current 1856 form	• Aligns with Admin Info 22-02 transition instructions. • Greater clarity for the MACs processing of initial or extension site requests
Part I- B	NA	• Added new for request of an extension site, however, context is based on the CMS-381 form and as a result of combining the two forms	• Greater clarity for the MACs processing of request for certification activity. • Outlines upfront the request being submitted.
Part II- I to V	CMS-1856	• Added in DBA field • Remainder of information pulled from 1856 form without change	• DBA added for MAC's clarification per MAC request • Avoids inconsistencies in enrollment
Part II- VI	CMS-381	• Added hours/information from CMS 381 form to be identified for both primary and extension site locations.	• Needed info by SA/AOs for both primary and extension sites • Ensures SA/AO knowledge if unannounced survey needs to be scheduled.
Part II-VII	CMS-1856	• No change in content, pulled from CMS-1856 form and as a result of combining the two forms	• Needed info by SA/AOs for both primary and extension sites
Part III- I & II	CMS-1856	• Information pulled from 1856 form, but adjusted this as needed for primary sites as well as extension sites	• Needed info by SA/AOs for primary and extension sites • Ensures SA/AO knowledge if unannounced survey needs to be scheduled.
Part III- III	CMS-381	• Added hours/information from CMS 381 form to be identified for both primary and extension site locations.	• Needed info by SA/AOs for both primary and extension sites • Ensures SA/AO knowledge if unannounced

CROSSWALK OF UPDATES

CMS 381 New Form Section	From which Original Form	Updates Made	Notes- Justification
			survey needs to be scheduled.
Part IV	NA	• Added new for greater clarification for processing	• Aligns with Admin Info 22-02 transition instructions. • Greater clarity for the MACs processing and identification of which action to take. • Ensures that if an extension site with different CCN (with identifier) is closed, the primary site and CCN is not inadvertently deleted/terminated.
Part V	NA	• Added new to identify if there is a conversion occurring	• Aligns with Admin Info 22-02 transition instructions. • Greater clarity for the MACs processing. • Added new for greater clarification for processing by the SA or AO
Part VI	CMS-381	• Added additional areas as current 381 requests organizations to submit a supplementary sheet with extension sites	• Cleaned up for ease of use by the provider • Assists in organization at SA/AO level
Part VII	CMS-381	• No change, info pulled from 381 form	• Signature information does not require changes and should still be required on the forms.
