

Number	Form	Change
1	Provider HSD Table	Removed column "Specialty"
2	Provider HSD Table	Removed column "Uses CMS MA Contract Amendment? (Y/N)"
3	Provider HSD Table	Removed column "Name of Medical Group Affiliation or "DC""
4	Provider HSD Table	Removed column "Contract Type"
5	Provider HSD Table	Revised Language in column O "Letter of Intent Signed by Both Parties? (Y)" to include language "Letter of Intent? (Y/N) Only applicable for MA Applicants"

Current Location	Reason
Column D	The "Specialty" column required MAOs to enter duplicative information already captured in the "Specialty Code column". The facility type name is not required for processing in the NMM
Column M	Collected information no longer used as part of network adequacy reviews
Column L	Collected information no longer used as part of network adequacy reviews
Column F	Collected information no longer used as part of network adequacy reviews
Column O	Column O is included in HSD table templates for Applicants and non-applicants. Clarifying language was added to inform non-applicants that Column O should not be completed with network reviews.
