Public Burden Statement

Public reporting burden for this voluntary collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. OSHA will use this information to evaluate participation in Safe + Sound Campaign. Persons are not required to respond to the collection of information unless it displays a current valid OMB control number. If you have any comments about this estimate or any other aspects of this data collection, including suggestions for reducing this burden, please send them to OSHAPRA@dol.gov or to US Department of Labor, OSHA Directorate of Standards and Guidance N-3609, 200 Constitution Avenue, NW, Washington, DC 20210.
