

Paperwork Reduction Act Burden Statement

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 2120-0557. Public reporting for this collection of information is estimated to be approximately 25 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. All responses to this collection of information are required to obtain FAA approval of authority to collect PFC revenue (49 U.S.C. 40117(c)). Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Aviation Administration, 10101 Hillwood Parkway, Fort Worth, TX 76177-1524.

Instructions for Form 5100-1, Attachment H

DRAFT

FORM 5500-1, ATTACHMENT H TEMPLATE PASSENGER FACILITY CHARGE (PFC) NOTICE OF INTENT, NC PROJECT INFORMATION

The information that a public agency must file when applying for authority to impose a PFC and for authority to use PFC revenue on a project is specified in 14 CFR Part 158. In accordance with 49 U.S.C. 40117(l), a public agency that chooses to apply for authority to impose a PFC and for authority to use PFC revenue on a project must do so by using FAA Form 5500-1, PFC Application (latest edition) and all applicable attachments.

Complete the Attachment H to provide information for a Notice of Intent. The Attachment H may be obtained on the FAA Airports Website, or contact the local FAA airports office to obtain an electronic version.

Break projects into major components and fill in all unlocked (shaded) areas and form controls.

If you have any questions about this attachment H worksheet, please contact your local Airports District Office.

Summary Information sheet

Impose Airport. The name of the airport imposing the PFC and LOCID.

Application Number. Filled in by the FAA. The application number is created with the fiscal year-sequence number-application type-00-LOCID

Project Title. Use a title that describes the project and differentiates it from other projects in this application or in your PFC program. Do not use "AIP Reimbursement" as a project title.

PFC Level. Enter the PFC level for the project: 4.50, 4.00, 3.00, 2.00, or 1.00.

Use Airport(s). If the project is not located at the impose airport, use the FAA Location Identifier (LOCID) for the airport at which the project is located.

PFC Revenue Requested. (Whole Dollars)

Pay-as-you-go. Paying bills when due, paying for goods and services when purchased, or reimbursement of local funds.

Bond Capital. Bond funds

Financing. Financing and interest on a debt instrument.

Detailed Cost needed. This field will contain a Yes or No depending upon the Total PFC requested for the project.

For each project proposing PFC funding in excess of \$10,000,000, public agencies are required to provide
