Fellow Completion Report

Miami University 2012-2013

- Please review and provide updates for each fellow's Graduate Program status. This report can be edited and saved by any GRFP official. The report must be certified and submitted by the institution's designated Financial Official.
- Changes to the fellow completion report will not update the fellow record or the fellow activities report.
- Please save your work frequently. This page will timeout after 30 minutes of inactivity and changes that are not saved will be lost.

Adjust/Submit Fellow Completion Report | Unsubmitted

Last Updated Date: 08/07/2012 Last Updated User: bfo

- **Degree Status:** Select the current degree status of the fellow. All fellows that are "In Progress" status will remain on the report.
- **Graduate Program Start Date:** Enter the date that the fellow began his/her Graduate Program.
- **Degree Sought:** This value is pre-populated from the Degree Sought field of the fellow's annual Activity Report.
- **Graduation Date:** This field is required if the fellow's degree status is marked as "Graduated".
