The browser's menu bar includes 'File', 'Edit', 'View', 'Favorites', 'Tools', and 'Help'. The main content area displays a notice titled 'Paperwork Reduction Act Notice' in bold. The text of the notice explains the estimated completion time for the form (46.25 minutes) and provides contact information for the Associate Chief Information Officer for Policy and Compliance at the Railroad Retirement Board.

**Paperwork Reduction Act Notice**

We estimate this form takes an average of 46.25 minutes per response to complete and that “negative” reports (no employees) will take an average of 15 minutes per response to complete. Responses include the time needed for reviewing the instructions, getting the needed data, and reviewing the completed screen. Federal agencies may not conduct or sponsor, and respondents are not required to respond to, a collection of information unless it displays a valid OMB number. If you wish, send comments regarding the accuracy of our estimate or any other aspect of this form, including suggestions for reducing the completion time, to Associate Chief Information Officer for Policy and Compliance, Railroad Retirement Board, 844 N. Rush Street, Chicago, IL 60611-1275.
