This page has been left blank for double-sided copying.

OMB Number: 0584-XXXX
Expiration Date: xx/xx/20xx

This information is being collected to assist the Food and Nutrition Service in understanding school food purchasing practices, the nutritional quality of school meals and snacks, the cost to produce school meals, and student participation and dietary intakes. This is a mandatory collection and FNS will use the information to monitor program operations. This collection does not request any personally identifiable information under the Privacy Act of 1974. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-[xxxx]. The time required to complete this information collection is estimated to average [IF G1a, FILL: 1.5] [IF G1b, FILL: 1.25] [IF 1c OR 2a OR 3, FILL: 0.75] hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: U.S. Department of Agriculture, Food and Nutrition Service, Office of Policy Support, 1320 Braddock Place, 5th Floor, Alexandria, VA 22314 ATTN: PRA (0584-xxxx). Do not return the completed form to this address.

INSTRUCTIONS

- This survey is intended for the school food authority (SFA) director but can be completed by any staff member who is very familiar with the SFA's school nutrition programs.
- Under the terms of Section 28 of the Richard B. Russell National School Lunch Act, institutions participating in the school meals programs are required to participate in this data collection. Taking part in the study is voluntary for parents/guardians and children. The decision to participate will not affect any USDA benefits received by institutions or families participating in this data collection.
- Your responses will not be disclosed in identifiable form without your consent.
- The information you provide will be used only for statistical purposes.
- Please answer all of the questions to the best of your ability.
- You may complete the survey all at once or save your responses and return at a later time.
- If you are returning to finish your saved survey, you will return to the point where you left off.
- Please use the buttons at the bottom of each page to move through the survey. You may need to scroll down on the page to view the buttons. Using your browser's "Back" function may cause errors.

If you have any questions about the study or about completing this survey, please contact the study team by email at [EMAIL] or by phone at xxx-xxx-xxxx (toll-free). If you have any questions about your rights as a research participant, please call HML IRB at 202-246-8504.

The USDA Child Nutrition Programs do not define local. Please use your SFA’s understanding or definition of the term (e.g., within a 100-mile radius, within the State). We are interested in foods that are produced locally, for example, farmed, raised, fished, or manufactured in the area considered to be “local” by your SFA. This does not include foods that are produced elsewhere but procured through a local distributor.
