Universe A: $WD2 = 1$ or $a1-a6 = 2$ or [Sum of reported jobs] < 2

Universe B: $WD2 = 1$ or $a1, b1, c1, d1, \text{ and } e1 = 2$ or [Sum of reported jobs] < 2

The next set of questions is about informal work activities that you may have received payment for during the last six months.

Informal work is typically any activity or service performed in exchange for pay that is not part of a traditional job or formal business. Informal work can be short-term or long-term and may involve regular or irregular hours. These activities are often paid in cash or through other informal arrangements.

Examples of informal work include:

- Babysitting or providing childcare
- Doing yard work or home repairs for neighbors or friends
- Selling goods online or at a local market
- Helping a friend with a project for pay
- Providing freelance services

- Working as a day laborer

Please include all informal work activities, even if they were done for as little as one hour.

Present in Version A only: Your answers about any informal work you do will be kept private. We will combine your answers with others to better understand informal work without identifying anyone personally.

The Census Bureau is not allowed to share any personal information about the people who answer their questions. Census only collects this information to create statistics and reports. No other government agency or court can use someone's personal census information against them.

[IW1]: Not counting any work that you may have already reported. In the last six months, did you do any informal work to earn money, even for as little as one hour?

Universe A: $WD2 = 1$ or $a1-a6 = 2$ or [Sum of reported jobs] < 2

Universe B: $WD2 = 1$ or $a1, b1, c1, d1, \text{ and } e1 = 2$ or [Sum of reported jobs] < 2

1. Yes
2. No

[IW2a]: During the last six months, did you perform any services for other people on an informal basis, such as babysitting, lawn work, etc.?

Universe: $IW1 = 1$

1. Yes
2. No

[IW2b]: Please list the types of services you performed for other people over the last six months. E.g., babysitting, lawn care, etc.

Universe: $IW2a = 1$

[up to three blank spaces]

[IW3a]: In the past six months, did you do any work for someone who is self-employed or for a business, but not as part of a regular job? This could include things like consulting on a project or helping with building maintenance.

Universe: $IW1 = 1$

1. Yes
2. No

[IW3b]: Please list the types of services you performed for a self-employed individual or business.

Universe: $IW4a = 1$

[up to three blank spaces]

[IW4]: During the past six months, did you do any work as a day laborer? That is, did you ever

obtain work by waiting at a place where employers pick up people to work for a day?

Universe: $IW1 = 1$

1. Yes
2. No

[IWdis]: During the last six months, did you find short, in-person jobs or tasks through companies that connect you directly with customers using a website or mobile app (such as rideshare/delivery apps, online tutoring services, nanny/housekeeping services, etc.)?

Universe: $IW1 = 1$ & $WD2 = 1$

1. Yes
2. No

[IWdisb]: Please list the types of app/online service-based work you have done over the past six months. Please consider work for similar services to be one type of work, such as rideshare driver, nanny, house cleaner, etc.

Universe: $IWdis = 1$

[up to three blank spaces]

[IW5a]: Were there any other activities/jobs that you did to earn money during the last six months?

Universe: $IW1 = 1$

1. Yes
2. No

[IW5b]: Please list these activities/jobs.

Universe: $IW5a = 1$

[three-four blank spaces]

[Define IW Roster as the activities reported in IWdisb, IW2b, IW3b, IW5b and "Day Laborer" if $IW4 = 1$]

Next, we will ask some questions about the value of assets and debts held by the household.

We know that people aren't used to talking about their assets and debt, but we ask these questions to get an overall picture of your community and the nation -- NOT to find out about your household personally. We will be asking about housing, checking accounts, stocks, mutual funds, and credit card debt.
