

## Comm #1: Initial Invitation - Letter

Dear first\_name last\_name,

The Federal Voting Assistance Program is the federal program responsible for ensuring the right of overseas U.S. citizens to request, receive, and return absentee voting materials for federal offices. To ensure that all Americans abroad know of their right to vote and are able to successfully cast ballots, we are currently trying to learn more about your experiences during the absentee voting process. You were randomly selected because state voting records show that you were living at a foreign address during the November 2024 election, and that qualifies you to give us the feedback that is vital to our success.

As the Director of the Federal Voting Assistance Program (FVAP), **I personally invite you to participate in a short, 15-minute survey regarding your experience with the 2024 election, whether you voted or not.**

We invite you to complete the *2024 Overseas Citizen Population Survey* online at:  
<https://www.OverseasCitizenSurvey.com>

To access the survey, you will need to enter your personal **Ticket Number: code.**

The act of voting is one of the most fundamental rights associated with democracy, and many citizens consider it to be an important experience. You may be aware that Americans who live and work abroad have the right to vote in American elections, but difficulties exercising this right do occur—in fact, you might have directly experienced difficulty in trying to cast an absentee ballot from outside of the United States. The United States government specifically established FVAP to ensure that all citizens living abroad are aware of their right to vote and have the tools to do so from anywhere in the world. We need your participation in this survey to help us make sure we are doing all we can to fulfill that mission. The information gathered in this survey will help us as we work to improve the absentee voting process for all U.S. citizens living abroad.

The survey is voluntary. It does not collect any information regarding your political party affiliation or other political choices, and your responses to the survey will be kept confidential and will not be associated with your name.

If you have any questions or need assistance, please send an e-mail to [helpdesk@overseascitizensurvey.com](mailto:helpdesk@overseascitizensurvey.com) or call our Survey Help Desk at +1[phone number]. If you have any questions or suggestions about the survey, please visit our website at [www.FVAP.gov/info/contact](http://www.FVAP.gov/info/contact).

Thank you for your help as we work to ensure that all Americans abroad know of their right to vote and have all the information and tools necessary to exercise that right.

Sincerely,

Scott Wiedmann  
Director, FVAP
