1 VQIP Portal

To access the VQIP portal, log in to FDA Industry Systems (FIS) at <https://www.access.fda.gov/>. If you have previously created an FIS account, enter your Account ID and Password to log in. If you have not previously created an FIS account, follow the prompts and provide the requested information to establish an account.

1.1 Notice of Intent to Participate

After logging in to FDA Industry Systems (FIS) at <https://www.access.fda.gov/>, choose "Voluntary Qualified Importer Program" from the list of available systems under FSMA Programs(s) (Figure 1.1).

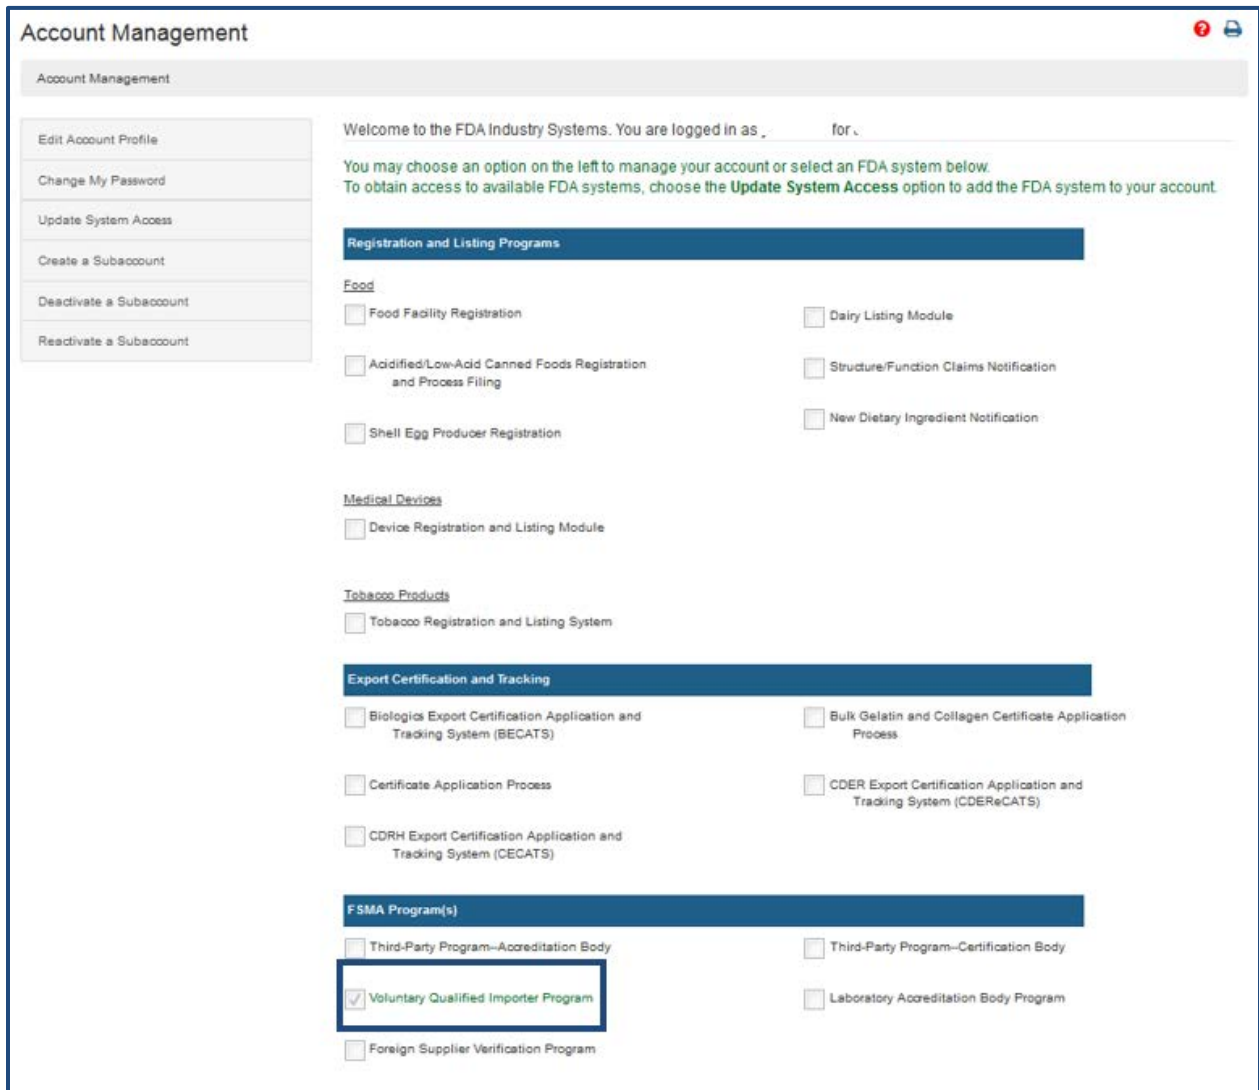

Figure 1.1 – Account Management

The system will take you to the Voluntary Qualified Importer Program (VQIP) page. Select the "Notice of Intent to Participate" option on the left side of the screen (Figure 1.2) to inform FDA of your interest in participating in the program.

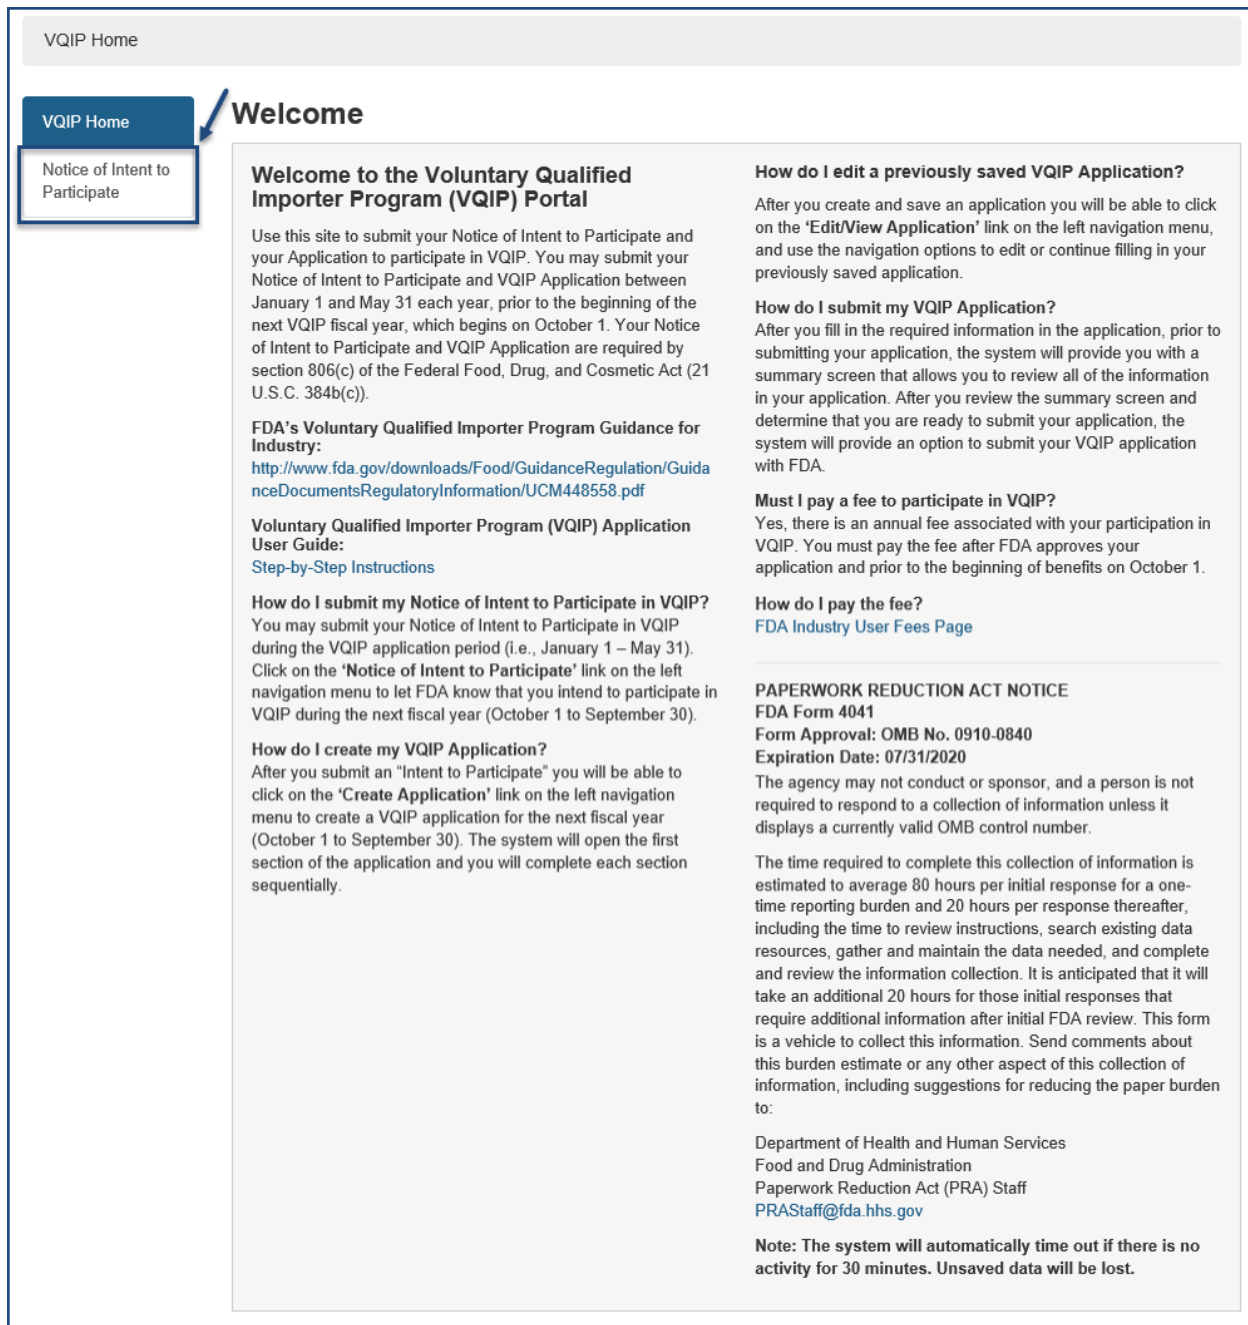

Figure 1.2 – Voluntary Qualified Importer Program (VQIP) Home Screen

Your firm name and the fiscal year for which the agency is currently accepting applications for VQIP will display on the Home screen. Select “Submit Notice of Intent to Participate” (Figure 1.3) to send your notice to FDA.

Figure 1.3 – Submit Notice of Intent to Participate

2 Submit a New VQIP Application

The system will return you to the Voluntary Qualified Importer Program (VQIP) home screen. You may log out and log in at any point to create your application. Logging into the VQIP Portal will return you to this VQIP Home Screen. Select “Create Application” to begin the application process (Figure 2.1).

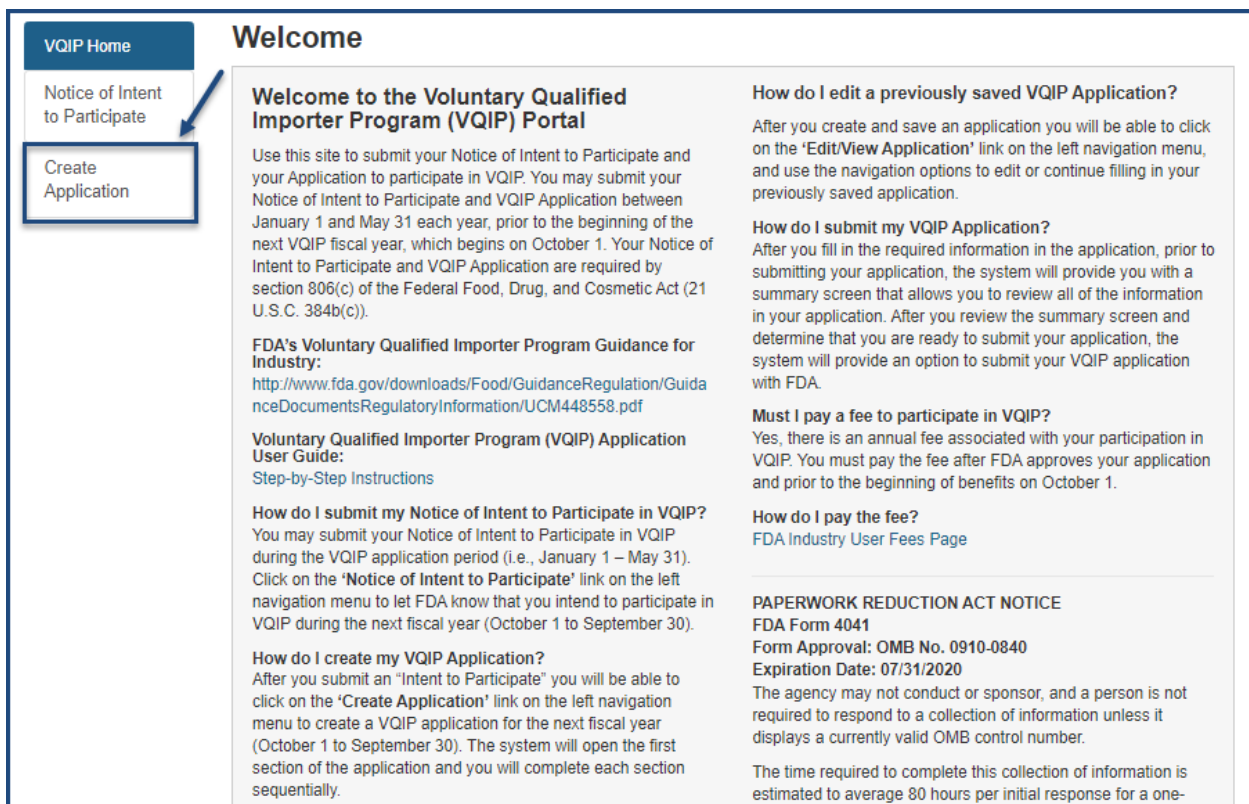

Figure 2.1 – VQIP Home Screen: Create Application

At the top of every application page, there will be a status bar to track your progress through each step of the online application process (Figure 2.2). The help link (i.e., the red question mark, shown below) will open this VQIP Portal User Guide. At the top right of each page, there is a "FURLS Home" link. This will take you back to the FIS/FURLS home page (Figure 1.1) and the "VQIP Home" link will take you to the VQIP home page

(Figure 1.2).

Figure 2.2 – Status Bar

Each screen also includes navigation buttons such as the following (Figure 2.3):

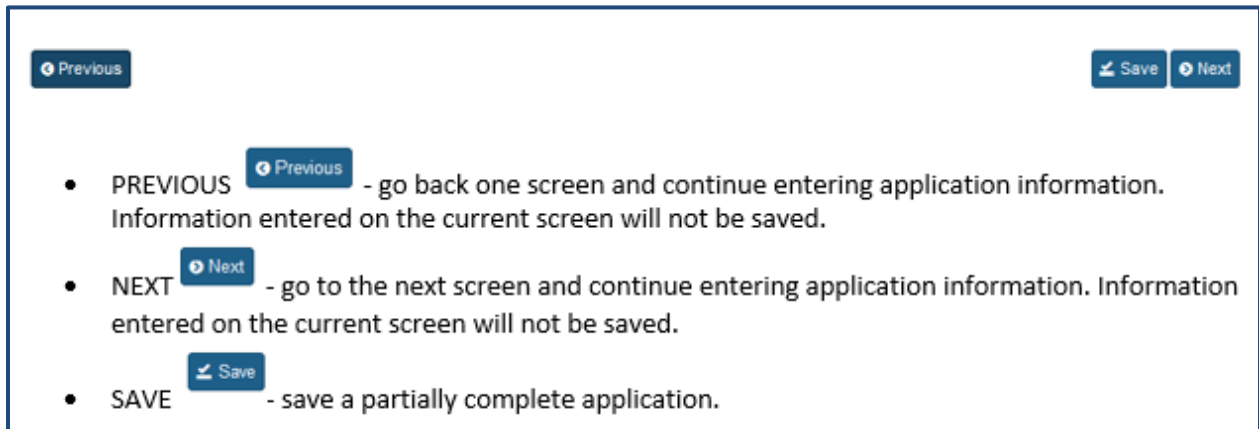

Figure 2.3 – Navigation Buttons

2.1 Section A: Applicant and Firm Information

Applicant firm information and contact information are pre-filled based on your Online Account Administration (OAA) information.

Section 805(g) of the FD&C Act requires FDA to maintain a publicly available list of approved VQIP Importers. Select “Yes” or “No” to indicate whether you want to be included on the publicly available list of VQIP Importers (Figure 2.4).

A benefit of VQIP is that FDA will post a publicly available list of approved VQIP importers on FDA's VQIP Web page. Do you agree to have your name listed on this publicly available list ?

Yes No

Figure 2.4 – Option to be listed on the VQIP Importers List.

Select “Yes” or “No” to indicate whether you are a Customs-Trade Partnership Against Terrorism (C-TPAT) Tier 2 or Tier 3 member.

If you select “Yes,” you must add the C-TPAT Account Number (Figure 2.5). If you are not a C-TPAT Tier 2 or 3 member, select “No.”

After you have finished this activity, you will have completed Section A. Select “Next” to navigate to Section B.

C-TPAT Status

Are you a C-TPAT Tier 2 or Tier 3 member?

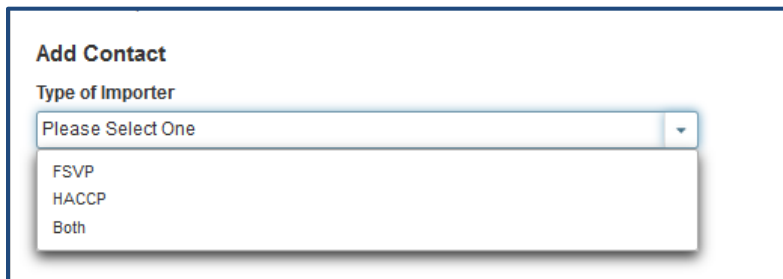

Yes No

2.2 Section B: Foreign Supplier Verification Program (FSVP) and Hazard Analysis and Critical Control Point (HACCP) Importer Information

In this section, you will be asked to enter the FSVP or HACCP Importer information for the foods you will include in your application. For each FSVP or HACCP Importer, use the drop-down arrow to select the type of Importer. When you enter the information for each food (Section E), associate the FSVP or HACCP Importer for the food from the list of Importers created from the information you entered in this Section B.

The screenshot shows a form titled "Add Contact". Below the title is a label "Type of Importer" followed by a dropdown menu. The dropdown menu is open, showing three options: "FSVP", "HACCP", and "Both". The text "Please Select One" is visible at the top of the dropdown list.

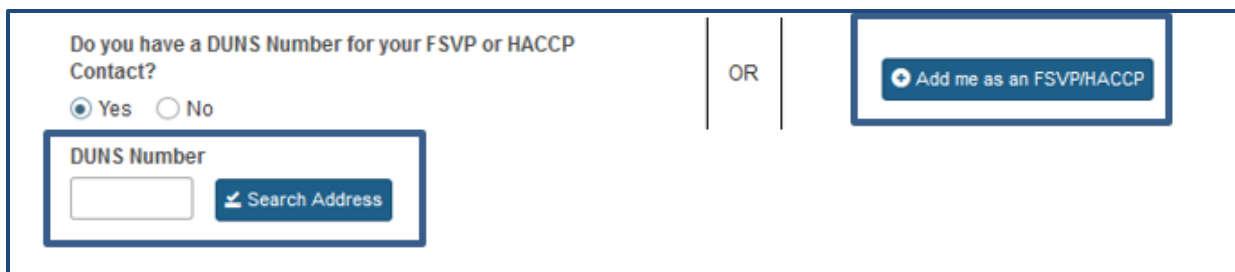

Figure 2.6 – Add Contact: Select a Type of Importer

After selecting the Type of Importer (Figure 2.6), the system will display a prompt: “Do you have a DUNS number for your FSVP/HACCP Contact?”

If you select “Yes,” the system displays a field to enter the DUNS number (Figure 2.7) for that Importer.

Enter the DUNS number and select “Search Address.” The system will display the Importer information. The system will also display the corresponding contact information for the VQIP Importer, as reflected in your OAA account.

If more than one firm is displayed, choose the correct address listed, and click “Select & Continue” (Figure 2.8). If you will serve as a FSVP/HACCP Importer for any of the foods you are importing under the program, add yourself by selecting “Add me as an FSVP/HACCP” (Figure 2.7).

The screenshot shows a form with the question "Do you have a DUNS Number for your FSVP or HACCP Contact?". There are two radio buttons: "Yes" (selected) and "No". Below this is a "DUNS Number" input field and a "Search Address" button. To the right of the question, there is an "OR" separator and a button labeled "Add me as an FSVP/HACCP".

At the top, there is a sub-header "Foreign Supplier Information" followed by a paragraph: "Provide the information for each Foreign Supplier of food for humans or animals that you will import under VQIP. Once a Foreign Supplier has been added to your VQIP application, you will have the opportunity to add foods from that Foreign Supplier." Below this is a checkbox labeled "I affirm that the foods I include in this application meet relevant FDA food labeling regulations." The main form area is divided into two columns. The left column contains fields for: DUNS Number, Firm Name, Address Line 1, Address Line 2, City, State/Province/Territory, Zip Code (Postal Code), and Country/Area. The right column contains fields for: Telephone Number (split into Country, Area, Phone Number, and Extension), Fax Number (Optional) (split into Country, Area, and Fax Number), Email Address, Web Address (Optional), and FCE Number (Optional). At the bottom of the form, there is a table with three columns: "Facility Certification Number", "Issue Date Range", and "Expiration Date Range". Each column has a text input field. Below the table are navigation buttons: a small square checkbox, left and right arrows, "(1 of 2)", and double left and right arrows. At the very bottom, there is a question "Is this the correct foreign supplier address?" with radio buttons for "Yes" and "No". A blue arrow points to the checkbox in the table.

The system will display a table of the Foreign Suppliers added to your VQIP application (Figure 2.29). You may add more foreign suppliers. You may also edit, view, or delete the foreign suppliers via icons in the Action column.

The third icon in the Action column allows you to view and edit foods associated with a foreign supplier.

After you add all foreign suppliers, check the box to affirm the foods included in the application meet relevant FDA food labeling regulations.

Once you have finished, you will have completed Section E. Select “Next” to navigate to Section F.

2.6 Section F: Comments

In this section you may provide comments regarding your application. You may use this space to further explain information you included in your application or to explain anticipated changes that may impact your application (Figure 2.30).

Once you have finished, you will have completed Section F. Select “Next” to navigate to Section G.

The image shows a screenshot of a web form titled "Comments (Optional)". It features a large, empty text input area with a light gray border. Inside the input area, the text "Enter application comment here" is displayed in a light gray font. Below the input area, the text "4000 characters remaining." is shown in a smaller, light gray font. The entire form is enclosed in a dark blue border.

The "Amendment" item is highlighted with a blue box and a blue arrow pointing to it. The main content area is titled "Welcome" and contains several sections of text and links. The first section is "Welcome to the Voluntary Qualified Importer Program (VQIP) Portal" with a sub-heading "Use this site to submit your Notice of Intent to Participate and your Application to participate in VQIP." The second section is "How do I edit a previously saved VQIP Application?" with a sub-heading "After you create and save an application you will be able to click on the 'Edit/View Application' link on the left navigation menu, and use the navigation options to edit or continue filling in your previously saved application." The third section is "How do I submit my VQIP Application?" with a sub-heading "After you fill in the required information in the application, prior to submitting your application, the system will provide you with a summary screen that allows you to review all of the information in your application." The fourth section is "Must I pay a fee to participate in VQIP?" with a sub-heading "Yes, there is an annual fee associated with your participation in VQIP." The fifth section is "How do I pay the fee?" with a sub-heading "FDA Industry User Fees Page". The sixth section is "PAPERWORK REDUCTION ACT NOTICE" with a sub-heading "FDA Form 4041". The seventh section is "The time required to complete this collection of information is estimated to average 80 hours per initial response for a one-time reporting burden and 20 hours per response thereafter, including the time to review instructions, search existing data resources, gather and maintain the data needed, and complete and review the information collection." The eighth section is "Department of Health and Human Services" with a sub-heading "Food and Drug Administration". The ninth section is "Paperwork Reduction Act (PRA) Staff" with a sub-heading "PRAStaff@fda.hhs.gov". The tenth section is "Note: The system will automatically time out if there is no activity for 30 minutes. Unsaved data will be lost."

4.2 FSVP or HACCP Importer Information

After expanding the “FSVP or HACCP Importer Information” section, the system will display a table containing the previously submitted FSVP/HACCP Importers (Figure 4.6).

▼ FSVP or HACCP Importer Information

Provide the following information about the FSVP or HACCP importer subject to the relevant FDA regulations for each food, if you are not the FSVP or HACCP importer. The relevant regulations are those on (1) FSVP (21 CFR part 1 subpart L), (2) importation of juice processed under a hazard analysis and critical control point (HACCP) system (21 CFR 120.14), or (3) importation of fish and fishery products processed under HACCP (21 CFR 123.12). Certain categories of foods are not covered by FSVP. For more information, see <https://www.fda.gov/downloads/Food/GuidanceRegulation/FSMA/UCM472461.pdf>.

Note:
If you want to delete an FSVP or HACCP Importer, you first need to remove the associations to foods in Section E. If you would like to receive benefits for those foods in the future, you will need to add another FSVP or HACCP importer.

4.4 Filer/Broker Information

After expanding the “Filer/Broker Information” section, the system will display a table containing the previously submitted Filer/Broker(s) (Figure 4.20).

▼ Filer/Broker Information

The filer/broker is the person responsible for (1) submitting entry and entry summary data on the food into the Automated Commercial Environment (ACE) and submitting import documents into the International Trade Auxiliary Communication System (ITACS) or through CBP’s Document Imaging System (DIS). You should only use paperless filers/brokers who received acceptable results during their last FDA Filer Evaluation. You may also obtain information about a filer/broker’s compliance status from FDA Filer Evaluation Outcomes at: <https://www.fda.gov/ForIndustry/ImportProgram/ActionsEnforcement/ucm459491.htm> .

You may add Foreign Supplier(s) by selecting “Add Foreign Supplier” (Figure 4.40). The system will prompt you with a message: “Do you have the DUNS number for the Foreign Supplier?”

If you select “Yes,” the system will display the field for you to enter a DUNS number (Figure 4.40) corresponding to a Foreign Supplier.

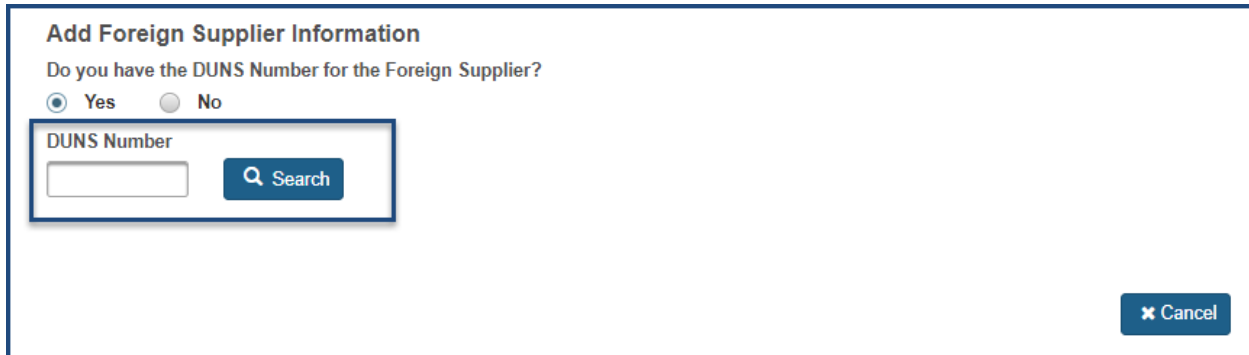

Figure 4.40 – Add Foreign Supplier: Enter a DUNS Number

Enter the DUNS number and select “Search” to have the system display the Foreign Supplier information.

If you do not have the DUNS number for the Foreign Supplier, you may select “No” (Figure 4.40). The system will display a screen where you can enter the Foreign Supplier contact information and search to find a match (Figure 4.41).

4.7 e-Signature

An e-Signature is the electronic equivalent of a hand-written signature. Please read the statement carefully.

Acknowledge you have read and approved it by providing your e-signature and date at the bottom of the page (Figure 4.51).

Select “Submit” to submit the amendment for processing.

You may also provide the names and titles of individual who assisted with completion of the VQIP application.

The screenshot shows the e-Signature page. It begins with a certification statement: "I am the VQIP Applicant. By signing this application, I certify that all information provided in support of my application is true and correct to the best of my knowledge. I understand that misrepresentations and omissions will constitute sufficient grounds for rejection or subsequent revocation of my participation in the program and may constitute a violation of 18 U.S.C. 1001." Below this, there are three input fields: "Name of VQIP Applicant", "Title of VQIP Applicant", and "Date". Underneath these is a large text area labeled "Names and titles of individuals that assisted with completion of the VQIP application (Optional)". At the bottom of the page, there are two buttons: "Previous" and "Submit".

5 Application Renewal

If you are an existing user of "Voluntary Qualified Importer Program," who has applied for benefits in the past, you will have the option to re-use your previously submitted application information for the next benefit year.

5.1 Notice of Intent to Participate

After logging in to FDA Industry Systems (FIS) at <https://www.access.fda.gov/>, choose "Voluntary Qualified Importer Program" from the list of available systems under FSMA Programs(s) (Figure 1.1).

The system will take you to the Voluntary Qualified Importer Program (VQIP) page. Select the "Notice of Intent to Participate" option on the left side of the screen (Figure 5.1) to inform FDA of your interest in participating in the program.

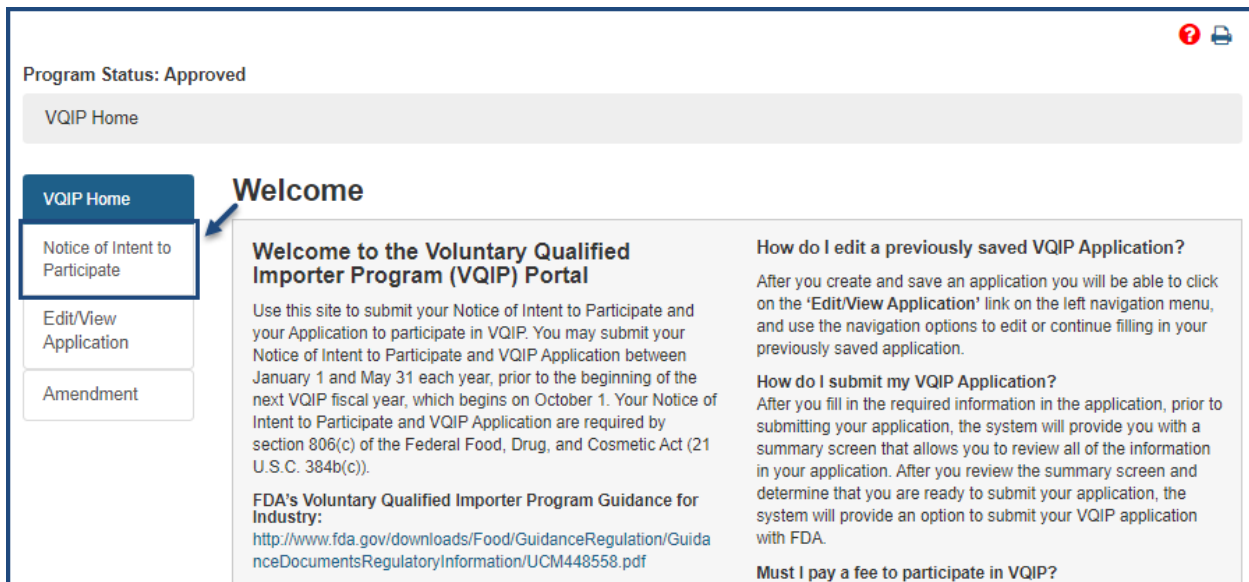

Figure 5.1 – Renew: Notice of Intent to Participate

Your firm name and the fiscal year for which the agency is currently accepting applications for VQIP will display on the "Notice of Intent to Participate" page (Figure 5.2). You must submit the Notice of Intent to Participate in order to apply for benefits for the new fiscal year.

Select "Submit Notice of Intent to Participate" (Figure 5.2) to send your notice to FDA.

Figure 5.2 – Renew: Submit Notice of Intent to Participate

Once you submit the “Notice of Intent to Participate,” the system will include the submitted notice information in the “Notice of Intent to Participate” table (Figure 5.3).

Figure 5.3 – Renew: Submitted Notice of Intent to Participate

5.2 Create Application

The “Create Application” menu option will be displayed from the VQIP Home page after submitting the notice of intent to participate (Figure 5.4).

Figure 5.4 – Renew: Create Application

Select “Create Application” menu option (Figure 5.4) to begin the application process. You will be asked if you want to renew the application using the previously submitted information (Figure 5.5).

Figure 5.5 – Renew: Create Application Options

If you choose “Yes” (Figure 5.6), the application will be prefilled with your previously-entered application information; you can still edit the prefilled information in the application.

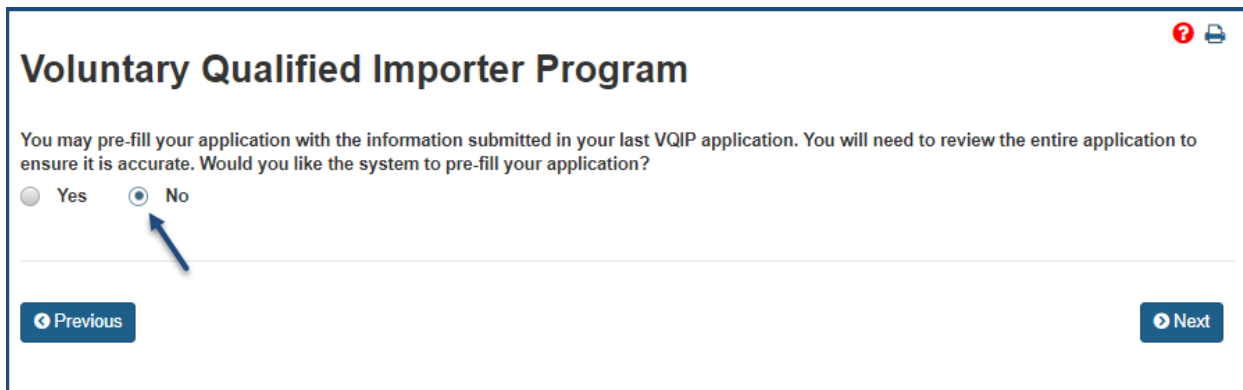

Figure 5.6 – Renew: Create Application (“Yes”)

If you choose “No” (Figure 5.7), the previously-entered application information will not

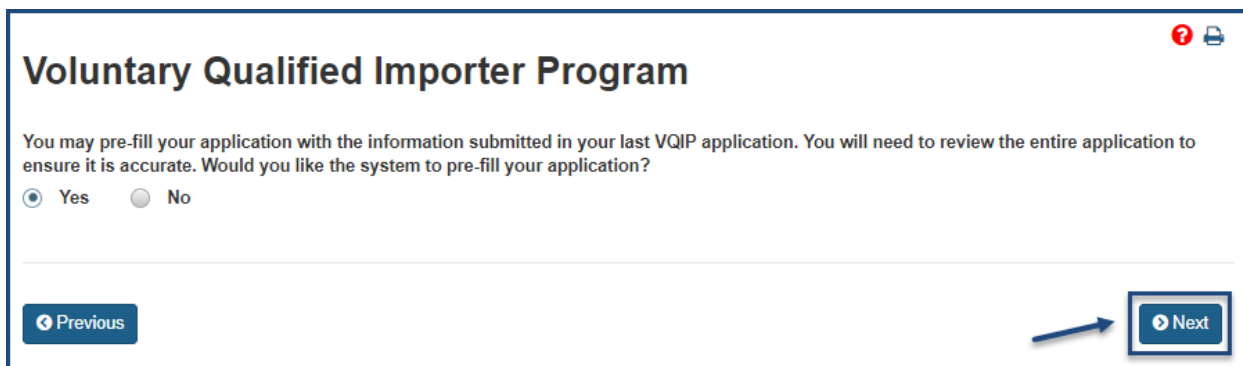

be pre-filled. All the application information must be entered.

The screenshot shows a web form titled "Voluntary Qualified Importer Program". At the top right, there are icons for help (a red question mark) and print. The main heading is "Voluntary Qualified Importer Program". Below the heading is a paragraph: "You may pre-fill your application with the information submitted in your last VQIP application. You will need to review the entire application to ensure it is accurate. Would you like the system to pre-fill your application?". There are two radio buttons: "Yes" (unselected) and "No" (selected). A blue arrow points to the "No" radio button. At the bottom, there are two buttons: "Previous" on the left and "Next" on the right.

Figure 5.7 – Renew: Create Application (“No”)

The “Next” button displayed at the bottom of the page will be activated once an option is selected (Figure 5.8).

The screenshot shows the same web form as Figure 5.7. The "Yes" radio button is now selected. The "Next" button at the bottom right is highlighted with a blue border and a blue arrow pointing to it. The "Previous" button remains on the left.

Figure 5.8 – Renew: Create Application (“Next”)

Click the “Next” button (Figure 5.8) to begin editing or adding the application information. The system will display Section A, “Applicant and Firm Information” (Figure 5.9).

5.3 Section A: Applicant and Firm Information

Applicant firm information and contact information are pre-filled based on your OAA information. Though pre-filled, you may edit the following two questions, as necessary:

- “A benefit of VQIP is that FDA will post a publicly available list of approved VQIP importers on FDA’s VQIP Web page. Do you agree to have your name listed on this publicly available list?”
- “Are you a C-TPAT Tier 2 or 3 member?”

Section B: Foreign Supplier Verification Program (FSVP) and Hazard Analysis and Critical Control Point (HACCP) Importer Information

Provide the following information about the FSVP or HACCP importer subject to the relevant FDA regulations for each food, if you are not the FSVP or HACCP importer. The relevant regulations are those on (1) FSVP (21 CFR part 1 subpart L), (2) importation of juice processed under a hazard analysis and critical control point (HACCP) system (21 CFR 120.14), or (3) importation of fish and fishery products processed under HACCP (21 CFR 123.12). Certain categories of foods are not covered by FSVP. For more information, see <https://www.fda.gov/downloads/Food/GuidanceRegulation/FSMA/UCM472461.pdf>.

Note:
If you want to delete an FSVP or HACCP Importer, you first need to remove the associations to foods in Section E. If you would like to receive benefits for those foods in the future, you will need to add another FSVP or HACCP importer.

In this section, the system will display a table containing the previously submitted Foreign Supplier(s) (Figure 5.18).

The screenshot shows the VQIP application interface for Section E: Foreign Supplier Information. At the top, there is a breadcrumb trail: VQIP Home > Section A > Section B > Section C > Section D > Section E. Below this, there are tabs for Section A through Section H, with Section E selected. The main heading is "Section E: Foreign Supplier Information". Underneath, there is a sub-heading "Foreign Supplier Information" followed by a paragraph: "Provide the information for each Foreign Supplier of food for humans or animals that you will import under VQIP. Once a Foreign Supplier has been added to your VQIP application, you will have the opportunity to add foods from that Foreign Supplier." A checkbox is checked with the text "I affirm that the foods I include in this application meet relevant FDA food labeling regulations." Below this is the heading "Foreign Supplier(s)" and a table with columns: Firm Name, DUNS Number, Firm Address, and Action. The table is currently empty. To the right of the table are icons for edit, search, list, and delete. Below the table, there is a section "Add Foreign Supplier Information" with the question "Do you have the DUNS Number for the Foreign Supplier?" and radio buttons for "Yes" and "No". To the right of this question is the text "OR" and a blue button labeled "+ Add me as a Foreign Supplier". At the bottom of the form, there are buttons for "Previous", "Save", and "Next".
