Usability Survey:
Email with Survey Link, English

Subject: Link to Usability Survey

Dear [NAME],

Thank you for your ongoing participation in the study on prostate cancer screening. As a next step in the study, we would like you to complete the usability survey located here: [INSERT URL]

The purpose of this survey is to get your input on Talk to Nathan About Prostate Cancer Screening. We would like your opinion on how well the information in Nathan was presented; your satisfaction with Nathan; and how useful Nathan was for making decisions on prostate cancer screening.

The survey will take approximately 18 minutes to complete.

For questions or help completing the survey, please contact the study manager, Danielle Nielsen, at Danielle.Nielsen@icf.com.

Thank you for your participation.
