

## US Department of the Interior Partner Satisfaction Survey: DOI Invasive Species Program ⓘ

You are receiving this survey because you have been identified as a partner working on invasive species issues with one or more Department of the Interior (DOI) bureaus or offices. DOI is undertaking this survey to measure your satisfaction with invasive species outcomes being leveraged through that partnership.

This measure informs progress towards meeting a goal of collaborating across Interior and with others to optimize operations through leveraging partnerships, joint educational efforts, and shared funding. Your input will help to inform DOI's future engagement with partners to advance invasive species initiatives of mutual interest. Invasive species are defined as non-native organisms that cause economic or environmental harm or harm to human, animal, or plant health.

When completing the survey, please consider your overall satisfaction throughout the duration of your partnership within the last five years, rather than at any one moment of time. If you collaborate with more than one bureau or office, once you complete this survey you will be prompted to complete another survey for that bureau or office.

This survey is optional, and responses are anonymous. It is unique to you, please do not forward. The survey should take an estimated 5 minutes to complete.

If you have questions, please contact Hilary Smith, DOI Senior Advisor for Invasive Species, at [hilary.smith@ios.doi.gov](mailto:hilary.smith@ios.doi.gov) or 202-763-3118.

**Please respond by November 5, 2025 [will update date as needed based on approval].**

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) to better understand partner perspectives about DOI's engagement with them on invasive species issues. Your response is voluntary and we will not share it publicly. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid Office of Management and Budget (OMB) Control Number. OMB has reviewed and approved this survey.

OMB Control Number 1040-0001. Expiration Date: 01/31/2028
