

**US Department of the Interior Partner Satisfaction Survey:
DOI Invasive Species Program**

First Correspondence Email

Subject: Partner Satisfaction Survey: DOI Invasive Species Program (by 11/5)

Dear Partner,

You are receiving this survey because one or more Department of the Interior (DOI) bureaus or offices identified you as a partner collaborating with them on invasive species management activities. Thank you for your partnership.

DOI is conducting a partner satisfaction survey because we want to understand what we are doing well and what we can do to strengthen this partnership in our joint effort to effectively manage invasive species. We will use information provided to strengthen DOI's invasive species program.

We realize that you may collaborate with more than one bureau or office. We request that you consider completing one survey for each bureau or office with which you work. When you complete one survey, you will be prompted if you would like to complete another for a different bureau or office.

Responses are requested **by November 5, 2025**.

We greatly appreciate your time to provide feedback. If you have any questions, please reach out to me at the contact information below.

Thank you,

Hilary Smith
