There is an Additional Pages section on pages 18–23 in case you run out of lines on any particular day.

If you are unsure about whether to include an item or where to record an item, write it down wherever it seems best or make a note and ask your field representative.

Thank you for agreeing to fill out this diary.

We understand that this task takes time; however, your information is very important to us and will be used for many purposes that affect all households in the U.S. Among the most important, it is used to help calculate the Consumer Price Index, or CPI. The CPI is *one of the most important tools* used to measure how fast consumer prices are rising or declining.

Here are some of the uses of the Consumer Price Index:

- ◆ Provide cost-of-living wage adjustments for millions of American workers
- ◆ Adjust Social Security payments
- ◆ Adjust Federal income-tax brackets

Frequently Asked Questions

(continued on other side)

1. How detailed should my descriptions be?

Refer to pages 2–3 for examples of the level of detail needed in each part. Do not rely solely on brand names.

2. How should I record multiple quantities?

You may group identical items on the same line and enter a total cost of all the items, or you may write each item on a separate line with the individual cost.

3. How should I record pre-payments such as a subway fare card?

Record the expense when you pay for it, not when you use it.

4. How should I record credit card purchases?

Record the purchase on the day that you use your credit card to pay for it, not on the day you receive or pay your credit card bill.

5. Should I record automatic deductions taken from my paycheck or bank account?

Yes, record automatic deductions (such as health insurance premiums taken out of your account or paycheck) only if they are deducted that week.

6. Should I record typical monthly bills?

Yes, record typical monthly bills only if you pay them during the week that you have the diary. Write them in the section called *All Other Products, Services, and Expenses*.

7. What should I do when I use coupons, discount cards, or loyalty cards?

Subtract the discount from the original price and write the amount that you paid.

8. Can I just give you receipts instead of writing the information down?

No, we need you to write the information in the diary. We encourage you to save your receipts to review them with your field representative at the end of the week. You can use the pocket on the inside of the back cover to store your receipts until you're ready to record your purchases.

9. How should I record an item if I don't know if it includes tax?

Write down the amount paid.

10. What if I make a contribution or charitable donation?

Record money contributions or donations in the section called *All Other Products, Services, and Expenses*.

Frequently Asked Questions

(continued on other side)

11. What about gift cards or gift certificates?

If you buy a gift card or gift certificate to give to someone, write down the cost of it in *All Other Products, Services, and Expenses*. If you use a gift card, write down the full amount for your purchase as if paid with cash.

12. What do I do about returns & exchanges?

If an item is bought and returned during the diary week, it can be erased or crossed out. If it was bought outside the week and returned during the week, do not make an entry. If an item is exchanged during the week, erase or cross out the item that was returned and enter the new item and its cost on the day the exchange was made.

13. How do I categorize the establishment for Meals, Snacks, and Drinks Away from Home?

- **Fast Food, Take-out, Delivery, Concession**
You pay BEFORE you eat/drink
- **Full Service Places**
You pay AFTER you eat/drink if you eat/drink at the establishment
- **Vending Machines or Mobile Vendors / Food Trucks**
Include vending machines, carts, and food trucks that move from place to place
- **Employer and School Cafeterias**
Include school meal plans and pre-payments, and school lunch bills

14. What's the difference between a concession stand and a mobile vendor?

A concession stand has to stay in a permanent location and a mobile vendor does not. Some mobile vendors may seem permanent because they are usually in the same location, but they are still considered mobile vendors because they have the option to change locations.

15. Should I record subsidized/reimbursed expenses?

Yes, but only record the portion that you or someone on your list has paid.

16. What should I do about shipping & handling costs?

Include the shipping & handling cost in the total price of the item. If the shipping & handling covered multiple items, include the shipping & handling in the total price of one item from the order.

Daily Reminder List

Please review the list of expenses below with the people on your list at the end of each day. If you have forgotten to record any expense, please do so on the appropriate page.
