

Space Apps Local Lead Survey 2021

Title: Space Apps 2021 Local Lead feedback: Help us build a better global hackathon

Section 1 Description:

Thank you so much for working with NASA to make the Space Apps 2021 such an incredible success. Please let us know about your experience as a Local Lead for this hackathon.

Please only complete this form if you are the Local Lead for your approved Location. Please complete this short survey by **Monday, October 18, 2021**.

We welcome your candid feedback so that we can continue to improve, particularly to inform our Space Apps 2022 hackathon. We are also asking you to tell us some high-level stats and stories so we can tell the story of the collective impact combining all participating cities. Thank you, thank you, thank you for being part of this community!

This information collection meets the requirements of 44 U.S.C 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. The OMB control number for this information collection is 2700-0153 and it expires on 07/31/2024. We estimate that it will take about 15 minutes to read the instructions, gather the facts, and answer the questions. You may send comments on our time estimate above to community@spaceappschallenge.org. Send only comments relating to our time estimate to this address.

1. What is your Space Apps location (city)? (Open)
