We made it! Thank you for leading such amazing events this past weekend in NASA's International Space Apps Challenge October 1-2, 2022. We hope you had a great experience working with individuals from around the globe solving real-world problems together. We look forward to reviewing the submissions and sharing the winning projects with you by December.

*In order to continue bringing you an amazing hackathon experience, we would like to get your feedback on the October 1-2, 2022 event and your experience being a Local Lead. Please complete this 10-minute [short survey](#) by **October 21, 2022**.*
