12. Besides completing this fast-track form, return the following to the PRA Team:

- Please provide as Word files:
- Completed fast-track form
 - Screenshots of your collection instrument
 - Text of your collection instrument
 - Include any transmittal email, or other mechanisms, that you plan to inform recipients with

Instructions for completing the fast-track form

1. Title of information collection: Provide the name of the collection that is the subject of the request (e.g., Comment Card for Soliciting Feedback on Annual Meeting).

2. Purpose: Provide a description of the purpose of this collection and how it will be used. If this is part of a larger study or effort, please include this in your explanation.

3. Description of respondents: Provide a description of the targeted group or 2 groups for this collection. These groups must have experience with the program.

4. Type of collection: If you are requesting approval of other instruments under the generic IC, you must complete a form for each instrument.

5. Personally identifiable information: Agencies should only collect PII to the extent necessary and they should only retain PII for the period of time that is necessary to achieve a specific objective.

6. Gifts or payments: If you answer yes to the question, please describe the incentive and provide a justification for the amount.

7. Burden hours:

Category of respondents: Identify who you expect the respondents to be in terms of the following categories: 1) individuals or households; 2) private sector; 3) state, local, or tribal governments; or 4) US federal government. Only one type of respondent can be selected per row.

Number of respondents: Provide an estimated number.

Participation time: Provide an estimate of the amount of time (in minutes) required for a respondent to participate (e.g., how much time will it take to fill out the survey or participate in a focus group). Provide the annual burden hours. Multiply the number of respondents and the participation time then divide by 60.

8. Federal cost: Provide an estimate of the annual cost to the Federal government.

9. The selection of your targeted respondents. Please provide a description of how you plan to identify your potential group of respondents and how you will select them. If you answered yes to the first question, please provide the sampling plan as an attachment.

10. Administration of the instrument: Identify how the information will be collected. More than one box may be checked. Indicate whether there will be interviewers (e.g., for surveys) or facilitators (e.g., for focus groups) used. Please list the URL here for an online survey.

11. Certification: Please read the certification carefully. If you incorrectly certify, the collection will be returned as improperly submitted or be disapproved.
