### SUPPLEMENTARY INFORMATION:

*Title of Collection:* Consumer Response Government and Congressional Portal Boarding Forms.  
*OMB Control Number:* 3170–0057.

*Type of Review:* Revision of a currently approved collection.

*Affected Public:* State, local, and tribal governments; Federal government.

*Estimated Number of Respondents:* 60.

*Estimated Total Annual Burden Hours:* 14.

*Abstract:* Section 1013(b)(3)(A) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act or Act) requires the CFPB to “facilitate the centralized collection of, monitoring of, and response to consumer complaints regarding consumer financial products or services.”<sup>1</sup> The Act also requires the CFPB to “share consumer complaint information with prudential regulators, the Federal Trade Commission, other

<sup>1</sup> Codified at 12 U.S.C. 5493(b)(3)(A).

Federal agencies, and State agencies.”<sup>2</sup> To facilitate the collection of complaints, the CFPB accepts consumer complaints submitted by Members of Congress on behalf of their constituents with the consumer’s express written authorization for the release of their personal information. In furtherance of its statutory mandates related to consumer complaints, the CFPB uses Government and Congressional Portal Boarding Forms (*i.e.*, Boarding Forms) to register users for access to secure, web-based portals. The CFPB has developed separate portals for congressional users and other government users as part of its secure web portal offerings (the “Government Portal” and the “Congressional Portal,” respectively).<sup>3</sup>

Through the Government Portal, government users can view consumer complaint information in a user-friendly format that allows easy review of complaints currently active in the CFPB process, complaints referred to a prudential Federal regulator, and other closed/archived complaints.

Through the Congressional Portal, Members of Congress and authorized congressional office staff can view data associated with consumer complaints they submit on behalf of their constituents with the consumer’s express written authorization for the release of their personal information. The Congressional Portal only displays information about complaints submitted by the individual congressional office.

Changes in this revision reflect the requirements outlined in 12 CFR 1070.43(b)(2) that requires a citation to the agency’s legal authority to review, possess, and examine consumer complaints. Therefore, new language and fields have been added to the form.

*Request for Comments:* Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the CFPB, including whether the information will have practical utility; (b) The accuracy of the CFPB’s estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the

burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB’s approval. All comments will become a matter of public record.
