SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-017, OMB Control No. 3235-0017]

Submission for OMB Review; Comment Request; Extension: Rules 6a-1 and 6a-2, Form 1

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 6a-1 (17 CFR 240.6a-1), Rule 6a-2 (17 CFR 240.6a-2), and Form 1 (17 CFR 249.1) under the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78a *et seq.*).

The Exchange Act sets forth a regulatory scheme for national securities exchanges. Rule 6a-1 under the Exchange Act generally requires an applicant for initial registration as a national securities exchange to file an application with the Commission on Form 1. An exchange that seeks an exemption from registration based on limited trading volume also must apply for such exemption on Form 1. Rule 6a-2 under the Exchange Act requires registered and exempt exchanges: (1) to amend the Form 1 if there are any material changes to the information provided in the initial Form 1; and (2) to submit periodic updates of certain information provided in the initial Form 1, whether such information has changed or not. The information

required pursuant to Rules 6a-1 and 6a-2 is necessary to enable the Commission to maintain accurate files regarding the exchange and to exercise its statutory oversight functions. Without the information submitted pursuant to Rule 6a-1 on Form 1, the Commission would not be able to determine whether the respondent has met the criteria for registration (or an exemption from registration) set forth in Section 6 of the Exchange Act. The amendments and periodic updates of information submitted pursuant to Rule 6a-2 are necessary to assist the Commission in determining whether a national securities exchange or exempt exchange is continuing to operate in compliance with the Exchange Act.

Initial filings on Form 1 by prospective exchanges are made on a one-time basis. The Commission estimates that it will receive approximately one initial Form 1 filing per year and that each respondent would incur an average burden of 880 hours to file an initial Form 1. Therefore, the Commission estimates that the annual burden for all respondents to file the initial Form 1 would be 880 hours (one response/respondent × one respondent × 880 hours/response).

There currently are 26 entities registered as national securities exchanges. The Commission estimates that each registered or exempt exchange files eleven amendments or periodic updates to Form 1 per year, incurring an average burden of 25 hours per amendment to comply with Rule 6a-2. The Commission estimates that the annual burden for all respondents to file amendments and periodic updates to the Form 1 pursuant to Rule 6a-2 would be 7,150 hours (26 respondents × 25 hours/response × 11 responses/respondent per year).

The total estimated annual time burden associated with Rules 6a-1 and 6a-2 is thus approximately 8,030 hours (880 + 7,150).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
