SUBJECT: Reminder! SMO survey due [DATE]

Dear [SA CN DIRECTOR NAME],

I'm emailing to remind you that this year's 30-minute School Meals Operations (SMO) survey is due [DATE].

[IF SURVEY PARTIALLY COMPLETE: Thank you for starting the survey! Here's your link again so you can finish it: LINK]

[IF SURVEY NOT STARTED: Here's a link to your survey: LINK]

Your input is important! FNS wants to learn from you about program operations during a year with major policy changes (meal pattern requirements for NSLP and SBP), program changes (the establishment of non-congregate summer meals), and a new program (Summer EBT). Your information helps FNS make informed decisions that lead to stronger service to children.

Mathematica is conducting this study for the USDA Food and Nutrition Service. If you have any questions, please feel free to call 1-833-440-9475 or email SMOStudy@mathematica-mpr.com.

Thank you in advance for your participation in this important study.

Sincerely,

Veronica Severn
