Section B – Identification of Shareholders and Partners

The intent of Section B (Parts 1 and 2) is to identify all of the individuals who have ownership interest in the business and their percent of ownership interest. Use as many pages as needed to list each entity down to the individual level.

- **Part 1 – first level**
Part 1 must be filled with the business entities or individuals listed in Section A. List the TIN for business entities and the date of birth (DOB) for individuals. List the mailing address (if different than Section A), and the % ownership interest in the permit as listed in Section A. Please see examples below.
- **Part 2 – second level**
If Part 1 included any business entities, Part 2 should be completed. For example, if Part 1 listed a business entity and an individual, only the business entity would need to be entered into Part 2. If the business entity is able to be listed to the individual level in Part 2, no further identification is needed. However, if Part 2 includes a business entity, you will need to list this ownership behind this entity. Please see examples below and print additional pages and write in “third level”, “fourth level”, etc. if needed.
