Persons holding accounts administered by NMFS, Alaska Region that need to be accessed through eFISH may use this form to authorize specific individuals to access that information. You must indicate the level of authorization for each listed individual that will have access to your account information. Authorized User designations are described as follows:

- **Basic:** This user may perform functions in eFISH that do not require elevated privileges, such as printing a copy of a permit, accessing account balances, renewing permits, or paying fees. It does not include the authority to transfer cooperative quota or crab individual processing quota (IPQ).
- **Transfers:** This user is authorized to conduct transfers of cooperative quota, CDQ allocations, or crab IPQ in addition to the *Basic* user functions.
- Administrator: This user may perform any functions in eFISH that the permit holder is authorized for.
   Example functions include: renewing permits, submitting fee payments, updating contact information, printing permits, obtaining account balances, and deleting previously authorized users. Note: In order to conduct transfers on behalf of the account holder, an Administrator level user must also have the transfer level authorization selected.
